D.Litt. (Honoris Causa)

Most Illustrious

Dr. Habil Khorakiwala

Sir,

Getting perceived and honoured as Distinguished Alumnus breaking the jinx of 125 years to be the first non-American on being awarded Honoris Causa from Purdue University, is not an easy task for anybody but you could achieve that which demonstrates your brilliance. Your passion for growth and your vision for a healthy world gave India its biggest multi-national pharma company with thousands of patents filed and more than hundred granted. Despite your birth and growth in the midst of lavishness, you have never forgotten your social responsibility. No wonder that millions of people belonging to the weaker sections of the society, now look to you and Wockhardt Foundation with an endless hope. For a genius of your stature, honours and accolades have become the middle name.

In recognition of your magnanimous vision, genius and outstanding philanthropy, KIIT University unanimously resolves to confer the Degree of Doctor of Letters (Honoris Causa) on you, this day the 12th November 2016 on its 12th Annual Convocation.
