# MESSAGE FROM THE FOUNDER

In the dynamic landscape of higher education, young universities often struggle to find direction. KIIT, however, has found its path and gone a step ahead by setting benchmarks. Over the past decades, we have grown from a humble vocational institute into a globally recognized university.

This Annual Report 2024–2025 is a document of achievements and a mirror of our mission and reflects our commitment to translating vision into action through practical, hands-on learning, cross-sectoral collaborations, and a pedagogical approach that places equal emphasis on knowledge and character.

Today, KIIT stands as a shining example of how a humane and student-centric university model can thrive at the intersection of global relevance and local responsibility. With over 40,000 students from across India and 65 countries, our campuses are vibrant laboratories of learning and empathy. Our deep engagement with the SDGs—particularly quality education, gender equality, and reducing inequalities has helped us build a model of education that is socially conscious and globally benchmarked. Our consistent global rankings, including recognition from Times Higher Education, NAAC, NIRF, and the United Nations ECOSOC, only validate what we already believe, that KIIT is not just growing—it is growing with purpose.

The blueprint is in action every day, through our cutting-edge research labs, our stellar placement record, our inclusive sports culture, and our deep-rooted compassion. Whether it's creating opportunities for rural youth, hosting Nobel Laureates, or enabling students to serve as UN Volunteers, KIIT is preparing leaders who will shape tomorrow's India and the world, and take India forward. As we look ahead towards Viksit Bharat@2047, KIIT remains firmly anchored in its founding ideals: equity, excellence, and empathy. This report encapsulates who we are, where we are and who we are becoming. I thank each member of the KIIT family for

their commitment. Together, we will continue to set new standards in education that is transformative, not transactional. We remain committed to the idea of a university that doesn't just teach the future but builds it.

Prof. Achyuta Samanta  
Founder, KIIT & KISS

# MESSAGE FROM VICE CHANCELLOR

It is with great pride and a deep sense of responsibility that I present this year's Annual Report of KIIT Deemed to be University. This document is more than a record of achievements—it is a reflection of the collective commitment, resilience, and innovation that define our academic community.

The academic session 2024–25 has been a landmark year for KIIT, as we took significant strides towards the internationalization of higher education at KIIT under the visionary leadership of our Hon'ble Founder Dr. Achyuta Samanta. Strengthening our global footprint, KIIT forged new collaborations with over 20 reputed foreign universities this year alone, raising our total number of international collaborations to an impressive 250+. We introduced innovative Pathways Programmes, including Joint and Dual Degrees, to deliver globally relevant education and groom future-ready global professionals. KIIT proudly hosted over 150 Foreign Visiting Faculty from prestigious institutions worldwide, who enriched our academic and research ecosystem. A notable highlight was the India Trek Programme, which welcomed delegations from globally renowned universities such as the University of Oxford, Harvard University, MIT, the University of Washington, and the City University of New York, offering them an immersive experience in India's diverse academic and cultural landscape.

Furthering our international outlook, we launched the Global Immersion Programme – 2025 in collaboration with 19 esteemed universities across the globe. To complement this initiative, KIIT introduced four undergraduate honours programmes in international languages: French, German, Spanish, and Japanese—empowering students with global competencies and cross-cultural fluency.

I have no doubt that KIIT Deemed to be University shall emerge as a model university towards the implementation of NEP 2020 in realizing the objectives of Aatmnirbhar Bharat through connecting the essence of India's traditional knowledge with the contemporaneity.

The Universities commitment to growing its academic and research excellence is clear in a wide range of rankings, which shows that KIIT is excelling beyond many of the India's traditionally top ranked Universities.

As we reflect on the milestones of this past year, I extend my heartfelt gratitude to our faculty, staff, students, alumni, and partners. Your dedication fuels our progress and inspires our future. Together, we continue to shape a university that not only responds to the challenges of today but leads with vision, values, and purpose into tomorrow.

Prof. (Dr.) Saranjit Singh  
Vice Chancellor  
KIIT Deemed to be University

# MESSAGE FROM

## THE REGISTRAR

It is with great pride and a deep sense of responsibility that I present this message for the Annual Report of our prestigious University — a beacon of knowledge, innovation, and inclusive education.

The past academic year has been both dynamic and transformative, marked by continued efforts to strengthen academic processes, digitize administrative workflows, and enhance student support services. Our University remains committed to upholding transparency, efficiency, and academic integrity in all aspects of our operations.

In close coordination with various schools, the University has ensured smooth conduct of academic audits, curricular revisions, and timely publication of results, while adhering to the highest standards of quality and compliance.

In alignment with the University's vision of excellence and equity, we have also made notable strides in expanding our outreach and inclusion initiatives, ensuring that students from diverse socio-economic and geographical backgrounds are supported through scholarships, mentorship, and accessible academic services.

I take this opportunity to express my sincere gratitude to our Honourable Founder for his visionary leadership, which continues to inspire and guide us toward ever-higher benchmarks in the field of education. I would also like to thank Vice Chancellor, Pro- Vice Chancellor, All Deans, Directors, Heads of Departments, faculty members, administrative staff, IQAC Team, and the entire student body for their unwavering support and collaboration throughout the year. The collective achievements captured in this Annual Report are a testament to our shared dedication to institutional advancement and academic distinction.

As we look ahead, the University remains steadfast in its mission to innovate, adapt, and deliver with accountability, contributing to the holistic development of the University and its stakeholders.

Dr. Jnyana Ranjan Mohanty  
Registrar  
KIIT Deemed to be University

# MESSAGE FROM

## DEAN IQAC

It's with immense pride and optimism that I share this message for the KIIT Annual Report 2024-25. This past year has truly underscored our unwavering commitment to global excellence, academic distinction, and groundbreaking innovation.

Our focus on internationalization has brought remarkable progress. In 2024-25, we significantly expanded our global footprint, welcoming a more diverse cohort of international students and strengthening key partnerships with leading universities worldwide. These collaborations aren't just about expanding our reach; they're enriching our academic environment, fostering vital cross-cultural understanding, and equipping our students to thrive as global citizens.

We're particularly proud of our exceptional performance in various national and international rankings. KIIT's impressive ascent, including its remarkable rise to 184th position in THE Asia University Rankings 2025 and securing 8th position among Indian universities in THE Asia rankings, reflects our robust academic framework and dedicated efforts. These accolades are a clear testament to our continuous pursuit of excellence, benchmarking us against the very best institutions globally.

These achievements are a testament to the collective hard work, intellectual curiosity, and collaborative spirit that define the KIIT community. As we reflect on 2024-25, we're not only proud of our accomplishments but also energized by the opportunities ahead. We remain committed to fostering an environment of continuous improvement, pushing the frontiers of education and research, and making a meaningful impact on society.

Thank you for being an integral part of KIIT's journey toward global excellence.

Dr. Siddharth Swarup Rautaray  
Dean IQAC  
KIIT Deemed to be University

# PREFACE

With immense pride and a deep sense of accomplishment, we present Kalinga Institute of Industrial Technology (KIIT) Deemed to be University's Annual Report for the academic year 2024-2025. This report meticulously chronicles a year of remarkable progress, innovative achievements, and significant milestones that have further cemented our standing as a preeminent global institution of higher education.

KIIT DU's enduring journey is profoundly shaped by the visionary leadership of our revered Founder, Dr. Achyuta Samanta, whose inspiring message once again sets the stage for this comprehensive report. The invaluable insights and strategic guidance from our esteemed Vice Chancellor, Prof. (Dr.) Saranjit Singh, Registrar, Dr. Jnyana Ranjan Mohanty, and Dean IQAC, Dr. Siddharth Swarup Routaray, underscore our collective unwavering dedication to fostering excellence across education, research, and community engagement.

KIIT-DU actively contributes to the UN Sustainable Development Goals (SDGs) through inclusive education, healthcare outreach, renewable energy use, gender equality initiatives, innovation-driven research, and global partnerships. Our commitment to sustainability is reflected across academics, community service, and campus operations, driving meaningful societal and environmental impact.

Our university's dynamic trajectory is vividly illustrated in "University at a Glance" and the "KIIT-Timeline of Growth," showcasing our continuous evolution and expansion. Our steadfast adherence to our "Vision, Mission, & Quality Policy" remains the bedrock of every initiative and achievement detailed within these pages.

Under the astute leadership highlighted in "University Leadership," we have continued to strengthen our strategic "International Relationships," enriching the academic environment, broadening research horizons, and fostering intercultural understanding, and further enhanced our state-of-the-art "Central Research Facility" and "Centers of Excellence." Through these relationships, KIIT DU has reaffirmed its commitment to producing globally competent graduates and conducting impactful, cross-border research. These strategic advancements have been instrumental in cultivating an environment ripe for innovation and pioneering research.

Our expanded network of MoUs with prestigious institutions, organizations, and corporates worldwide has significantly broadened our academic and research horizons. Concurrently, our robust "Training and Placements" department has continued to secure

outstanding career opportunities for our graduates. The continuous enhancement of our "ICT Resources" and the strategic development of our "Library" have significantly enriched the academic experience for our entire community.

The vibrancy of our academic and extracurricular life is wonderfully captured through our inspiring "Convocation" ceremony, our extensive "Events Conducted," and our dedicated focus on "Sports" and "Alumni Connect." The enriching visits of "Eminent Visitors" have further invigorated our campus community throughout the year.

Each school within our university has made exceptional contributions. The impressive compilation of publications, journals, conferences, books, book chapters, patents, and research projects stand as a powerful testament to our faculty and students' relentless commitment to advancing knowledge and fostering groundbreaking innovation.

Our growing "Consultancy" services, coupled with the "Funded Projects," underscore our deep commitment to societal impact and sustained academic success. The numerous "awards and accolades" proudly recognize the outstanding achievements of our dedicated community members.

Finally, the "Photo Gallery" offers a compelling visual narrative of the year's defining moments, capturing instances of triumph, discovery, and shared joy.

This annual report is far more than a mere chronicle of achievements; it is a vivid reflection of our shared endeavors and collective aspirations. It stands as a powerful testament to the tireless work, unwavering dedication, and profound passion that permeate our entire university community. As we look forward, we remain resolute in our mission to champion academic excellence, propel transformative research, and foster holistic development, thereby paving the way for a brighter and more impactful future.

We extend our deepest gratitude to every individual who has contributed to our remarkable journey. Together, we are poised to scale even greater heights and leave an indelible positive mark on society.

**IQAC TEAM**

## ABOUT THE FOUNDER

Prof. Achyuta Samanta is one of India's most revered educationists and social reformers, globally recognized for his transformative contributions to education, tribal empowerment, and humanitarianism. What makes his story truly extraordinary is not just the scale of his impact, but the remarkable adversity he overcame to achieve it.

Born into poverty in a remote village in Odisha, Prof. Samanta lost his father at the age of four. He was raised by a widowed mother alongside six siblings. He experienced hunger, hardship, and uncertainty throughout his childhood. Deprived of basic comforts and opportunities, he vowed early on to dedicate his life to ensuring that no child would suffer as he did due to poverty. With just ₹5,000 (approximately \$100), no land, no backing, and no resources, only vision and determination he laid the foundation for two of the most remarkable institutions in modern India: the Kalinga Institute of Industrial Technology (KIIT) and the Kalinga Institute of Social Sciences (KISS) in 1992.

Today, KIIT Deemed to be University is one of the fastest-growing and most reputed private universities in India. With 30 sprawling campuses, KIIT offers professional education to nearly 40,000 students, including over 2,000 international students from 70+ countries. It is globally ranked by Times Higher Education, accredited by NAAC with A++, and holds prestigious affiliations such as ABET (USA) and IET (UK).

Alongside KIIT, Prof. Samanta founded KISS, the largest fully free, fully residential institution for indigenous children anywhere in the world. KISS provides holistic care and education—ranging from kindergarten to post-graduation—for over 40,000 tribal students, with an additional 40,000 alumni and 10,000 students across satellite centres. The impact of KISS has been profound—it has helped reduce left-wing extremism, human trafficking, child marriage, malnutrition, and school dropouts in tribal regions, while fostering dignity and opportunity. KISS is a recognized Special Consultative Status holder with UN ECOSOC, and a recipient of numerous global honors, including the UNESCO International Literacy Prize.

In the healthcare sector, Prof. Samanta established the Kalinga Institute of Medical Sciences (KIMS), which now includes a 2,600-bed multi-specialty hospital, a super-specialty cancer care centre, and educational programs in medicine, dentistry, and nursing, serving thousands of students and millions of patients across Odisha and Eastern India.

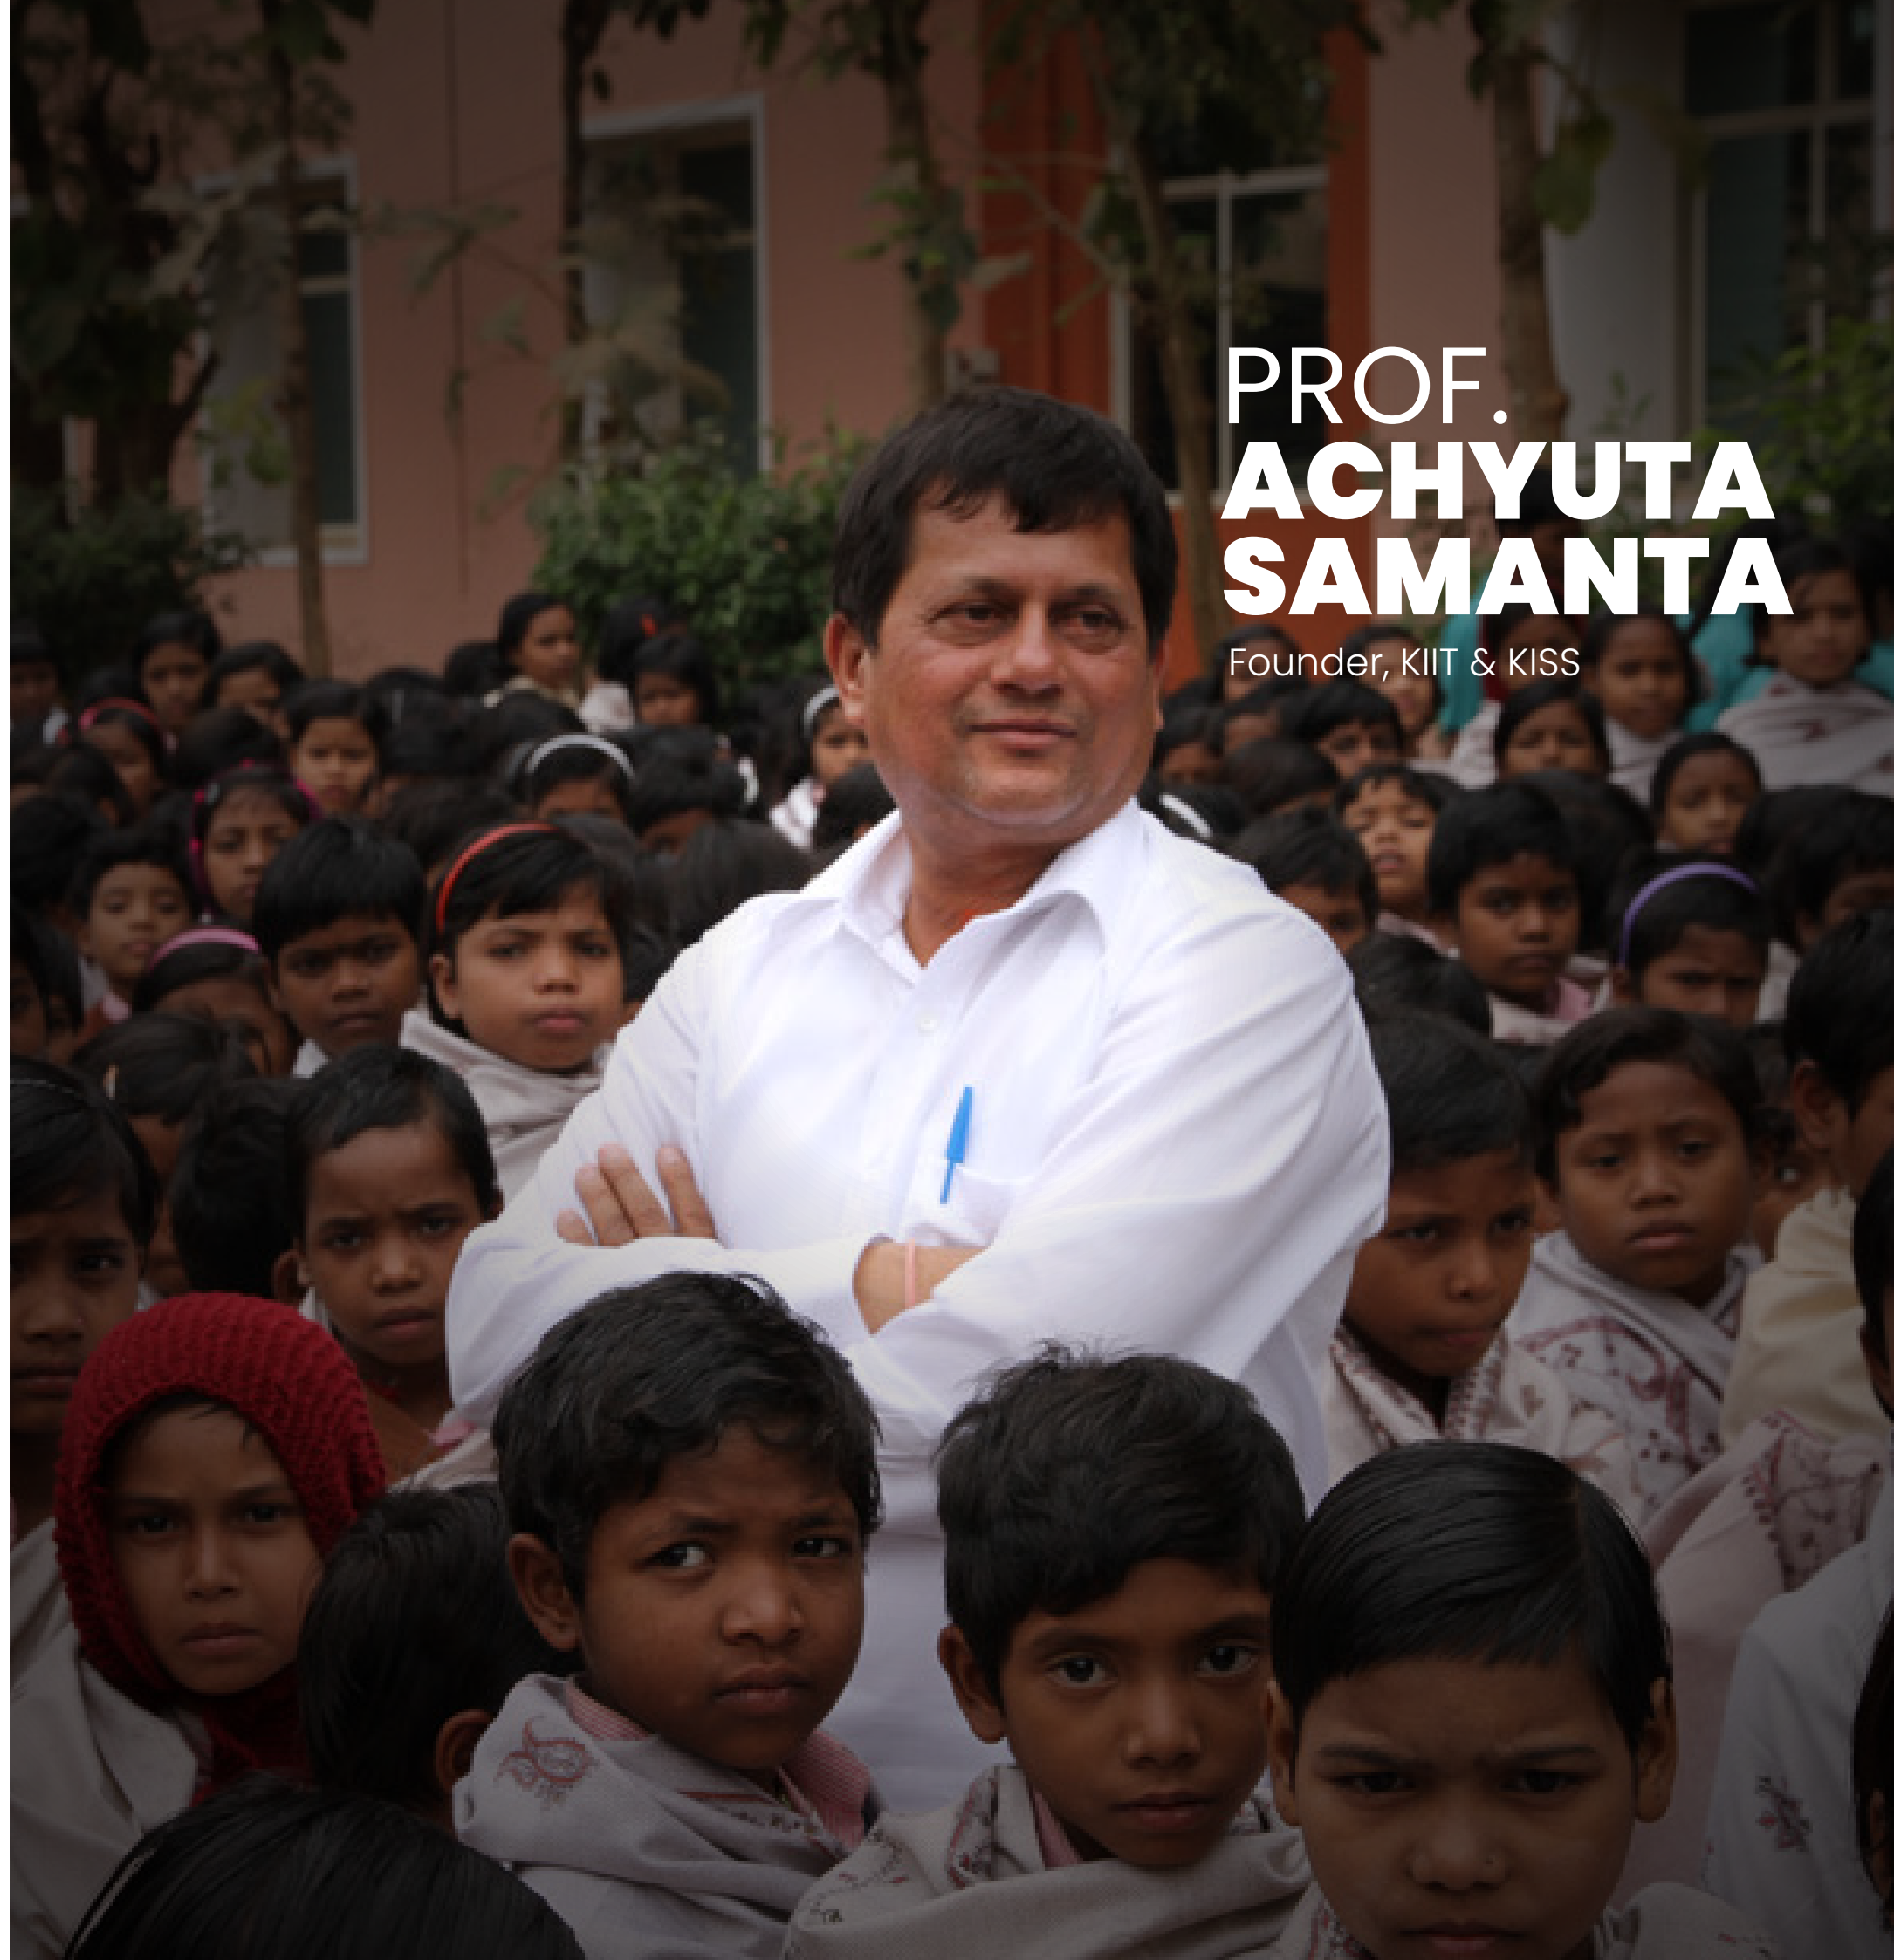

Beyond academia and healthcare, Prof. Samanta's work spans sports development, rural upliftment, women's empowerment, culture and literature, disaster response, and spiritual humanism. He has supported the education and training of 24 Olympians, and has been conferred multiple awards including the Sportstar, FICCI India Sports, and CII Sports Business Awards.

His global standing is affirmed by the 67 honorary doctorates he has received from universities in India and around the world. He has served as a Member of Parliament (Rajya Sabha and Lok Sabha) and continues to engage with global forums and governments on policy, education, and humanitarian initiatives. He is also the founder of the global movement Art of Giving, which promotes selfless service and kindness across communities.

Despite his towering achievements, Prof. Achyuta Samanta remains deeply grounded. A lifelong bachelor, he lives in a modest rented apartment, without personal wealth or possessions. His life's mission is to bring smiles to millions of faces by making quality education, healthcare, and dignity of life accessible to all, especially the most vulnerable.

# PROF. ACHYUTA SAMANTA

Founder, KIIT & KISS

# UNIVERSITY AT A GLANCE

Since its inception in 1992, KIIT has emerged as a hub for intellectual endeavor and is currently regarded as one of India's most prestigious universities. The Ministry of Human Resources Development, Government of India granted university status under Section 3 of the UGC Act, 1956 in 2004, just seven years after the institution's establishment, in recognition of its dedication to academic excellence. KIIT Deemed to be University is a relatively new institution, however, it highly values and rewards outstanding performance and perseverance. The KIIT alumni, faculty, and students have been receiving national and international recognition for their contributions.

Recognizing the University's high standards, the Ministry of HRD granted 'A' Category status in 2016 and 'Graded Autonomy' in 2018. KIIT has been reaccredited by NAAC with a grade of 'A++', in addition to NBA certification under the Washington Accord for its eight B.Tech programs. The Ministry of Human Resource Development, Government of India, also issued a Letter of Intent (LoI) for the 'Institution of Eminence' (IoE) tag in September 2019.

KIIT Deemed to be University has been placed 15th among all public and private universities in the country in the NIRF India Rankings 2024, published by the National Institutional Ranking Framework (NIRF), Ministry of Education, and Government of India. KIIT Law School has been ranked among the top 15 law schools in India. Similarly, all of the streams have improved significantly compared to previous year.

With respect to the Rankings, the prestigious Times Higher Education World University Ranking ranked KIIT at 201-300th globally in its Impact Rankings 2024. KIIT has also ranked at 168th position globally in its Young University Ranking 2024, 6th globally in SDG 10 'Reduced Inequalities' category, 101-200th globally in SDG 17 'Partnerships for the goals' category and 55th globally in SDG 4 'Quality education' and 71st SDG 16 'Peace, justice and strong institutions'. Times Higher Education has ranked KIIT at 184 in its Asia University Rankings 2025. KIIT has been awarded 5 Stars rating in 2021 by the prestigious QS, becoming the first QS 5 Stars Rated University in India. KIIT has also been awarded Workplace of the year Award 2020 by Times Higher Education, for its unstinting commitment to its staff and students. KIIT was conferred with the 13th Quality Council of India 2020 - DL Shah Quality Silver Award for the effective implementation of SAP in the University.)

It serves over 27,000 students through its 30 Schools, which offer globally recognized bachelor's, master's, and doctoral degree programs in over 200 disciplines, including engineering, medicine, management, law,

fashion, film and media sciences, computer applications, health sciences, biotechnology, and more. Aside from global reputation and pedagogical excellence, the University offers the greatest possible academic and non-academic grooming and empowerment, allowing students to become global citizens and make a difference in the global workplace.

KIIT is an internationally focused university that invites students from all around the world. With international students from over 68 nations, it takes pride in being a cosmopolitan and multicultural school. Embracing a global attitude, the university regularly collaborates with other prominent higher education institutions throughout the world to provide worldwide opportunities for its students and faculty. KIIT has partnerships with 185 of the world's finest institutions and a presence in over 65 countries, including the United States, United Kingdom, Germany, Russia, the Czech Republic, Japan, South Korea, and Kenya.

KIIT is a multi-campus university. Aside from academic and administrative buildings and student residences, campus features include a Rose Garden, Art Gallery, Sculpture Garden, Tribal Museum, Bird Sanctuary, a 35,000-capacity multi-sports stadium, and 12 sports facilities.

KIIT values close interactions between teachers and students in addressing academic, technological, and societal concerns. KIIT has implemented a strong and successful tutor-mentoring system as part of its innovative teaching-learning and student-friendly programs. Students have achieved great success in all disciplines as an outcome of excellent teaching, a student-friendly environment, and plenty of exposure. Since its start, KIIT has maintained a 100% placement record. Students' interests and potential are actively supported, and each year some students enroll in prestigious national and international institutions for higher education. Aside from high-achieving academics who land desired professions through campus placement, KIIT has produced IAS toppers, successful entrepreneurs, Olympians, Chess Grand Masters, actors, and even beauty queens.

KIIT is unique in integrating professional education and social responsibility. Its protégé, the Kalinga Institute of Social Sciences (KISS), provides comprehensive education from kindergarten to graduate school, as well as food, housing, health care, and all basic requirements, for free to 37,000 of the poorest tribe children (27,000 current students and 10,000 graduates). This renowned institution is acknowledged internationally as a successful model of empowerment through education.

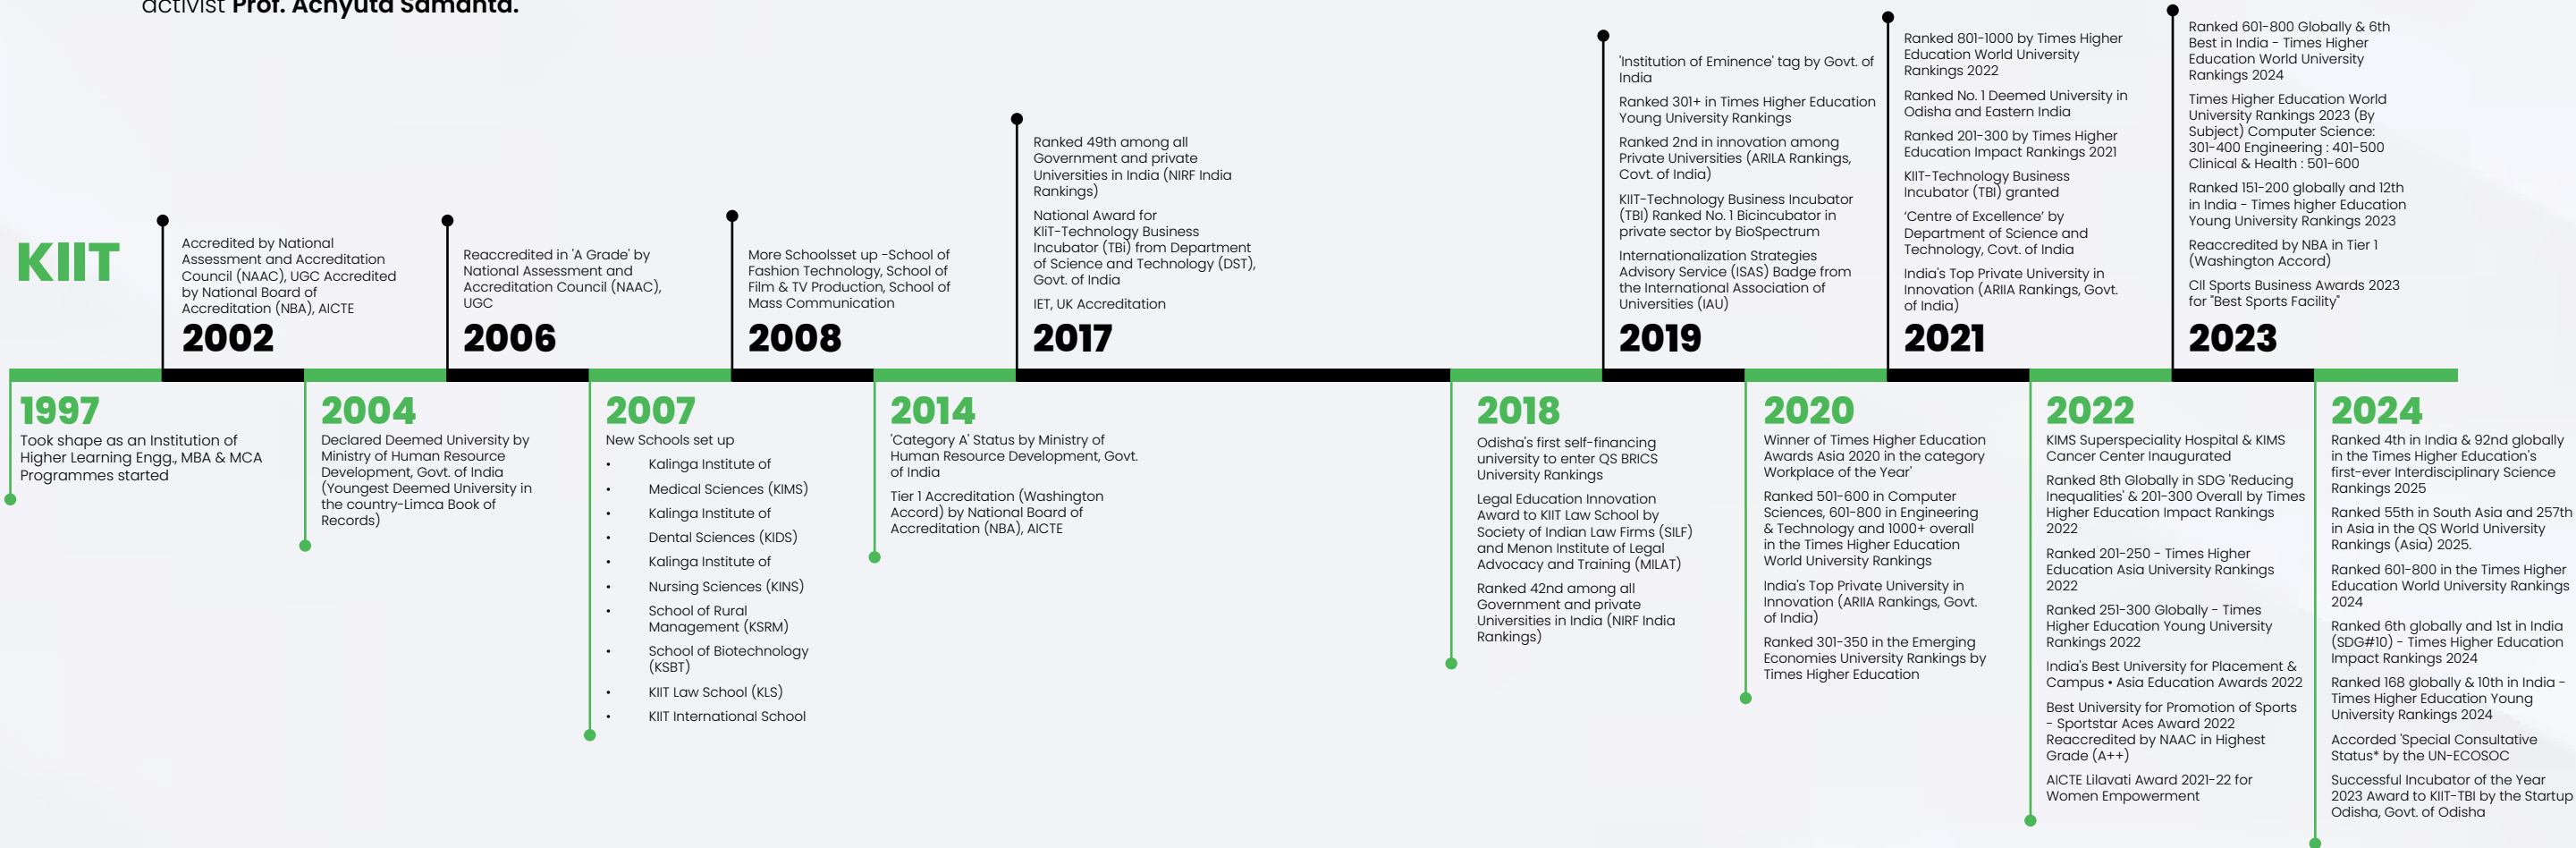

# TIMELINE OF GROWTH

KIT was founded as a modest Industrial Training Institute by the eminent educationist and social activist Prof. Achyuta Samanta in 1992. However, it evolved into a higher education institution only in 1997. Since then, it has consistently attained academic accolades, transforming into a worlaclass knowledge hub.

## CONTINUOUS LEARNING...

**1992** Founded as a modest Industrial Training Institute by the eminent educationist and social activist **Prof. Achyuta Samanta**.

# VISION, MISSION, & QUALITY POLICY

## VISION

To create an advanced center of professional learning of international standing where pursuit of knowledge and excellence shall reign supreme, unfettered by the barriers of nationality, language, cultural plurality and religion.

## MISSION

- Imparting quality value-based education of international standard and imbibing skill for solving real life problems.
- Inculcating global perspective in attitude.
- Creating leadership qualities with futuristic vision.
- Fostering spirit of entrepreneurship and realization of societal responsibilities.
- Cultivating adaptation of ethics, morality and healthy practices in professional life.
- Instilling habit of continual learning.
- Encouraging and supporting creative abilities and research temperament.
- Establishing and promoting close interaction with industries and other utility sectors and keep abreast with state-of-the-art technology.

## QUALITY POLICY

- KIIT University is committed to imparting quality education and skill sets based on ethical practices and develop students into responsible citizens and excellent professionals for attaining personal, organizational and social goals.
- The University's Management shall regularly monitor and review its performance and strive for continuous improvement and adaptation by implementing a Quality Management System.

# INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell (IQAC) of KIIT DU aims to build and ensure a quality culture all round excellence through institutionalizing and internationalizing all the initiatives taken with internal and external support. Following are the activities undertaken by IQAC:

## KIIT DU RANKINGS

KIIT Deemed to be University (KIIT DU), established in 1992 and inaugurated as a Centre for Higher Learning in 1997, has rapidly risen in the ranks of national and international academic institutions. In 2024-25, KIIT DU participated in various prestigious rankings, showcasing remarkable achievements.

The Times Higher Education (THE) ranked KIIT 601-800th globally in its World University Rankings 2024 and 168th globally in its Young University Rankings 2024. Also, THE placed KIIT 184th in its Asia University Rankings 2025, 92nd globally in THE Interdisciplinary Science ranking (4th in India), 201-300th internationally in its prestigious THE Impact Rankings 2024. KIIT is also placed 6th globally in SDG 10 'Reduced Inequalities', 55th globally in SDG 4 'Quality Education' and 71st globally in SDG 16 'Peace, Justice, and Strong Institutions', and 101-200th globally in SDG 17 'Partnerships for the Goals', in THE impact ranking 2024. Furthermore, in THE World University Rankings 2024, KIIT DU achieved a subject ranking of 401-500 in computer science, 501-600 in engineering, 601-800 in clinical & health, and 601-800 in business and economics. In the QS ranking, KIIT DU has been ranked 351-400th in the QS World University Rankings: Asia 2024, 81st in the QS World University Rankings: Environmental Sustainability 2024, and 90th in the QS Asian University Rankings: Southern Asia.

KIIT DU has been placed 15th among all public and private universities in the country in the NIRF India Rankings 2024, published by the National Institutional Ranking Framework (NIRF), Ministry of Education, and Government of India. Also, KIIT has achieved 37th position in engineering, 67th position in management, 46th position in research, 25th position in medical, 22nd position in dental, and 11th position in law in the discipline category rankings in NIRF India Rankings 2024.

These rankings reflect KIIT DU's commitment to excellence in education, research, and global engagement.

# THE ROLE OF FACULTY IN THE AGE OF AI: NAVIGATING CHALLENGES AND OPPORTUNITIES

The Faculty Enrichment Workshop on Academia's Role in the Age of AI and Digital Evolution, is a collaborative initiative by KIIT Deemed to be University, the Association of Indian Universities (AIU), and the "Viksit Bharat @ 2047", was successfully held at KIIT University, Bhubaneswar, Odisha, from March 22 to 27 2025, serving as a pivotal forum to address the crucial role of higher education in India's developmental journey amidst the rise of artificial intelligence and the rapid pace of digital transformation.

In a dynamic and rapidly evolving landscape shaped by the pervasive influence of Artificial Intelligence (AI) and the accelerating pace of digital transformation, the role of higher education institutions and their faculty has become increasingly critical. Recognizing this imperative, KIIT University, Bhubaneswar, in collaboration with the AIU and the "Viksit Bharat @ 2047" initiative, organized a comprehensive five-day Faculty Enrichment Workshop titled "Envisioning Viksit Bharat @ 2047: The Transformative Role of Academia in the Age of AI and Digital Evolution." Held from March 22 to 27, 2025, this landmark event served as a confluence of intellectual discourse, capacity building, and strategic planning, bringing together esteemed academicians, industry experts, policymakers, and research scholars from across the nation.

# KI3 FEST: IDEA, INNOVATION, AND IMPACT UNDER THE THEME, FRONTIER TECHNOLOGIES FOR VIKSIT @ 2047

# UNIVERSITY RANKING FRAMEWORKS: RESEARCH MATRIX THAT MATTERS

The Internal Quality Assurance Cell (IQAC) of KIIT Deemed to be University organized an insightful session on "University Ranking Frameworks: Research Matrix that Matters" on 7th December 2024 at Conference Hall – 4, Campus – 06. The session focused on the strategic importance of research metrics and frameworks that influence institutional rankings globally and nationally.

The event commenced with a Welcome Address by Dr. Siddharth Swarup Rautaray, Dean, IQAC, KIIT DU. In his address, Dr. Rautaray emphasized the growing significance of evidence-based research assessment and how understanding ranking frameworks can empower academic institutions to benchmark their performance effectively.

Dr. Sheeba Pakkan, Head of Research Support Services, JSS University, shared expert insights on aligning institutional research efforts with global ranking parameters such as QS, THE, and NIRF. She highlighted the importance of building a robust research ecosystem, fostering collaborations, and encouraging impactful publications.

Ms. Sheena Warriar, Solution Manager at Elsevier, presented a detailed overview of Elsevier's research analytics tools and their role in supporting data-driven decision-making for higher education institutions. She discussed the relevance of bibliometric indicators, citation analysis, and the integration of research intelligence in institutional strategy. Both speakers engaged the audience with interactive discussions, real-world case studies, and actionable recommendations that institutions can adopt to enhance their research visibility and global standing.

The session concluded with a Vote of Thanks by Dr. Dipti Ranjan Biswal, Deputy Director, National Accreditations, IQAC, KIIT DU. Dr. Biswal expressed gratitude to the distinguished speakers for their valuable inputs and to the participants for their active involvement.

The session proved to be highly informative and timely, reinforcing KIIT's commitment to academic excellence, research advancement, and continuous quality improvement.

The KIIT-DU came alive today with the energy and creativity of students from across the country as it hosted the KI3 Fest: Idea, Innovation, and Impact. Organized by the Dean's Gold Klub in collaboration with IQAC, SRC, CRF, KSAC, and IE, the event showcased the potential of young innovators under the theme, "Frontier Technologies for Viksit Bharat @ 2047".

With over 250 prototypes displayed by 600 students from 24 different schools of KIIT group of institutes, the fest highlighted the ground-breaking work being done by India's future leaders. The event celebrated innovation and encouraged a culture of ideation and impactful solutions to real-world problems.

Brig. (Dr.) Laxmi Charan Patnaik, Former Chairman of OPSC, highlighted the importance of innovation originating from educational institutions. All major innovations in the world, from 3D printing to block chain technology, started in universities. Today, India, under the Atma Nirbhar Bharat initiative, is exporting defense products worth millions of dollars, reflecting the strength of our innovation ecosystem, he said. He praised the government's supportive policies, particularly in Odisha, for nurturing start-ups and entrepreneurs.

KIIT, KISS, and KIMS Founder Dr. Achyuta Samanta emphasized the transformative power of ideas. "If ideas exist but have no impact, they hold no value. This fest is a platform to turn ideas into meaningful innovations," he stated, reinforcing KIIT's commitment to fostering a culture of innovation.

Prof. Saranjit Singh, Vice-Chancellor, attributed the success of the event to the vision of KIIT's founder. "Start-ups are the future, and events like KI3 Fest provide the perfect foundation for nurturing entrepreneurial talent," he remarked.

Prof. J.R. Mohanty, Registrar of KIIT, appreciated the diverse participation in the fest, noting, "This is the first time students from ITI, PG, and diploma programs have participated alongside others. It's encouraging to see such a vibrant research ambience in the various schools of KIIT."

Prof. Srinivas Patnaik, Chairperson, of Dean's Gold Klub, delivered the vote of thanks, expressing gratitude to all participants, collaborators, and organizers for making the event a success.

## FACULTY ENRICHMENT WORKSHOP ON PROJECT MANAGEMENT

The Internal Quality Assurance Cell (IQAC) of Kalinga Institute of Industrial Technology (KIIT) successfully organized a Faculty Enrichment Workshop on "Project Management" on June 21, 2024. The insightful session aimed to equip the faculty members with advanced knowledge and practical skills in managing projects effectively, a crucial aspect for academic and research endeavors.

The workshop was graced by the esteemed presence of Mr. Afzal Hussain Khan, President Urban Infra, Kalpataru Projects, who served as the distinguished resource person. With over three decades of extensive experience in infrastructure execution, Mr. Khan brought a wealth of practical expertise to the workshop. His illustrious career includes leading significant metro projects in major Indian cities like Delhi, Chennai, Kochi, Kolkata, Hyderabad, Bengaluru, Ahmedabad, Mumbai, Kanpur, and Bhopal, as well as landmark initiatives such as the Mumbai Coastal Road Project and the Mumbai Trans Harbour Link.

During the workshop, Mr. Khan shared his profound insights into various facets of project management, including strategic planning, risk assessment, resource allocation, stakeholder management, and project execution best practices. He emphasized the importance of a structured approach to project delivery, drawing from his vast experience in handling complex, large-scale urban infrastructure projects. His session was highly interactive, fostering engaging discussions and providing faculty members with actionable strategies applicable to their academic projects, research initiatives, and administrative roles.

The workshop underscored KIIT IQAC's commitment to continuous professional development and quality enhancement among its faculty. By inviting a renowned industry leader like Mr. Afzal Hussain Khan, KIIT provided its educators with a unique opportunity to learn from

real-world project management challenges and successes. The knowledge gained is expected to significantly contribute to improving the efficiency and effectiveness of various projects undertaken by the faculty, ultimately benefiting the institution's academic and research output.

The participants expressed their appreciation for the workshop, highlighting its relevance and the valuable takeaways from Mr. Khan's comprehensive presentation. The event served as a testament to KIIT's dedication to fostering a culture of excellence and continuous learning.

## TWO DAY WORKSHOP ON "NURTURING EMERGING LEADERS FOR NEXT-GEN LEADERSHIP: VIKSIT BHARAT @2047"

The Internal Quality Assurance Cell KIIT DU organized a two day Workshop on "Nurturing Emerging Leaders for Next-Gen Leadership: Viksit Bharat@2047" during 28-29 September 2024. This workshop aims to empower and equip emerging leaders with the necessary skills and knowledge to drive India towards its vision of a developed nation by 2047. The workshop was spearheaded by Mr. Indranil Das, Founder of Leaderion & Ex. Vice President, and Head of Services Business and Operation Support Systems, Ericsson. The Inaugural session commenced with a warm welcome from Dr. Siddharth Swarup Rautaray, Dean, IQAC KIIT DU, who introduced the guest speakers and set the tone for the workshop. Dr. Debashish Bandhyopadhyay, Pro Vice-Chancellor, KIIT DU, delivered a motivational address on leadership, highlighting the role of the Founder of KIIT and sharing insights from his own experience. He emphasized that failures should not deter aspiring leaders but rather serve as stepping stones for growth. He reflected on the leadership qualities essential for guiding organizations toward success by 2047. Prof. Kumar Mohanty, Director of the Faculty Development Program (FDP) at KIIT DU, expressed gratitude to the Vice Chancellor for initiating the FDP series, which was the twelfth session. He elaborated on the industrial domain focus of the workshop and its importance in nurturing leadership qualities among faculty members. He emphasized self-discovery exemplifying self-life experience and the role of the workshop in shaping department heads and team leaders.

Prof. Saranjit Singh, Vice-Chancellor, KIIT DU, provided an overview of the workshop's sessions, underscoring the significance of KIIT's 14-year-long association with Ericsson. He shared his experiences with the industry and discussed how the collaboration helped develop KIIT's industry engagement cell. Faculty members across various schools have benefited from this engagement, and Prof. Singh stressed the need to continue nurturing leaders in the academic and industrial spheres.

The workshop covered five sessions on the different aspects of leadership through MVP framework. The participants shared their experiences at the end of the workshop and thanked the authorities of the University for organizing such types of workshops.

The Valedictory session was chaired by Prof. Jnyana Ranjan Mohanty, Registrar KIIT DU. During his address he thanked the speaker for visiting KIIT as a resource person and shared the vision of Founder Prof. (Dr.) Achyuta Samanta of empowering faculty members for Next Gen Leaderships. He motivated the faculty members holding different positions at the University to transfer the knowledge gained during the workshop with the team members working with them at their respective schools. At the end, Dr. Siddharth S. Rautaray, Dean IQAC delivered the vote of thanks.

## NATIONAL CONCLAVE ON VIKSIT BHARAT@2047, ON THE THEME: "MAKING AI IN INDIA & MAKING AI WORK FOR INDIA"

The School of Economics & Commerce and the Internal Quality Assurance Cell (IQAC) of KIIT-DU organized National Conclave on Viksit Bharat@2047, on the theme: "Making AI in India & Making AI Work for India" on 14th August 2024 on the eve of Independence Day Celebration. This event aimed to discuss how AI can contribute to India's development goals by 2047, focusing on economic growth, environmental sustainability, social progress, and good governance. AI's potential and integration into daily life were highlighted, emphasizing the need to balance technological advancements with human values.

Speaking at the inaugural session, Prof. Jnyana Ranjan Mohanty, Registrar of KIIT-DU pointed out how humans are now monitored by AI. He highlighted how AI has increasingly become an integral part of daily life, influencing various aspects from convenience and efficiency to decision-making and personalization. Dr. Siddharth Swarup Rautaray, Dean of Internal Quality Assurance Cell spoke about the two sides of the themes "Making AI in India" and "Making AI Work for India". He stated that the growth of AI is highly relevant for the country's growth and development.

The Chief Guest of the session, Ms. Jayashree Mohanty, President, Luminous Infoways and Founding Chair, CII IWN pointed out the AI has the potential to significantly impact rural Odisha, with its diverse culture and varied economic conditions. The dignitaries released an edited book containing the research papers for scholarly use.

At the outset, the welcome address was delivered by Dr. Ananya Mitra, Conclave Co-Coordinator. The word of thanks was proposed by Dr. Smrutirekha Mohanty, Conclave Co-Coordinator. Six technical sessions featured paper presentations, with the best paper chosen from each session. Following this, a competition was held among these six papers, and prizes were awarded to the top three.

During the valedictory session, Dr. Himanshu Sekhar Rout, Professor of Economics, Department of Analytical and Applied Economics, Utkal University and Dr. Minati Mallick, Professor of Economics, Department of Economics, Maharaja Sriram Chandra Bhanja Deo University graced the event. Both of them stressed that the successful implementation of AI in India will depend on addressing challenges such as digital literacy, infrastructure, and connectivity. Partnerships between government, tech companies, and local communities will be crucial in making AI a transformative force in these areas. Based on the brainstorming with the experts and participants the next edition of the conclave was planned on the theme: LIFE: Lifestyle for Environment coined by Hon'ble Prime Minister Shri Narendra Modi at COP 26.

## SECOND NATIONAL CONCLAVE ON "VIKSIT BHARAT @ 2047" LIFE STYLE FOR ENVIRONMENT

The KIIT School of Economics and Commerce (KSEC) and KIIT-IQAC organized the Second National Conclave on "Viksit Bharat @ 2047" on March 22, 2025. The theme of the conclave was "Mission LiFE – Driving Sustainable Development through Individual and Collective Action." The event brought together distinguished guests and eminent academicians. The inaugural session was graced by Prof. (Dr.) Saranjit Singh, Vice-Chancellor of KIIT-DU, who delivered an insightful address on the role of sustainability in India's development journey. Prof. (Dr.) Jnyana Ranjan Mohanty, Registrar of KIIT-DU, emphasized the importance of fostering collective action for a sustainable future, while Dr. Sukanta Chandra Swain, Dean of Research at KSEC, highlighted the significance of Mission LiFE.

The KIIT School of Economics and Commerce (KSEC) and KIIT-IQAC organized the Second National Conclave on "Viksit Bharat @ 2047" on March 22, 2025. The theme of the conclave was "Mission LiFE – Driving Sustainable Development through Individual and Collective Action." The event brought together distinguished guests and eminent academicians.

The inaugural session was graced by Prof. (Dr.) Saranjit Singh, Vice-Chancellor of KIIT-DU, who delivered an insightful address on the role of sustainability in India's development journey. Prof. (Dr.) Jnyana Ranjan Mohanty, Registrar of KIIT-DU, emphasized the importance of fostering collective action for a sustainable future, while Dr. Sukanta Chandra Swain, Dean of Research at KSEC, highlighted the significance of Mission LiFE.

## K-AEP (KIIT - ACADEMIC EMPOWERMENT PROGRAMME) ON 'TEACHING, LEARNING & RESEARCH @HEIS: INTEGRATING SDGS, NEP 2020 & VIKSIT BHARAT 2047 FRAMEWORK'

The KIIT Academic Empowerment Program (K-AEP) on 'Teaching, Learning & Research @HEIs: Integrating SDGs, NEP 2020 & Viksit Bharat 2047 Framework' was inaugurated on June 22, 2024. Organized by the Internal Quality Assurance Cell (IQAC) at KIIT-DU, K-AEP is an eight-day faculty development program held across various schools of the University.

The inaugural session was graced by Dr. Pratapsinh Kakasaheb Desai, President, ISTE; Dr. Achyuta Samanta, Founder, KIIT & KISS; Prof. (Dr.) Saranjit Singh, Vice Chancellor, KIIT-DU; Prof. (Dr.) Subrata Kumar Acharya, Pro Chancellor; Prof. Jnyana Ranjan Mohanty, Registrar; and other dignitaries. The dignitaries released four booklets on KIIT-AEP 2024, prepared by IQAC, KIIT-DU, including the Viksit Bharat@2047 series, the Annual Report 2023-24, and the Academic Empowerment Report 2023-24.

In his address, Dr. Pratapsinh Kakasaheb Desai discussed the strength of the Indian education system in producing technocrats and the need to empower the youth with good character. He praised the Indian education system for producing over half of the world's technocrats and emphasized the importance of empowering the youth, who form a significant portion of India's population. Education must cultivate good character, he stressed.

Addressing the faculty members, Dr. Achyuta Samanta emphasized the importance of practicing active listening. He stated that integrating real-life experiences into classroom studies can make learning more engaging and effective. He commended the faculty for their continuous and dedicated efforts toward the University's betterment and encouraged them to produce more publications through quality research. Dr. Samanta highlighted that KIIT-DU is recognized nationally and internationally for its quality education and underlined the significance of the internationalization of higher education for both India and KIIT. By fostering a global perspective and enhancing research output, KIIT aims to further elevate its academic standing, he added.

Prof. (Dr.) Subrata Kumar Acharya discussed the steps for India's development under the 'Viksit Bharat' theme. In his welcome address, Prof. Saranjit Singh highlighted the University's extensive infrastructure, particularly its world-class sports facilities. He stressed the integration of the New Education Policy 2020 and the Viksit Bharat framework in Higher Education Institutes (HEIs) through the Academic Empowerment Program (AEP). Prof. Jnyana Ranjan Mohanty proposed the vote of thanks.

## FACULTY ENRICHMENT WORKSHOP ON DIGITAL TRANSFORMATION & EMERGING TECHNOLOGIES

The Internal Quality Assurance Cell (IQAC), KIIT-DU successfully organized a Faculty Enrichment Workshop on "Digital Transformation & Emerging Technologies" in association with Protiviti India on 22nd March 2025. The workshop aimed to provide a platform for knowledge sharing, skill development, and networking, enabling faculty participants to harness the power of digital transformation and emerging technologies to enhance teaching, research, and student engagement. The workshop was attended by faculty members of various Schools of KIIT.

During the inaugural ceremony, Dr. Siddharth Swarup Rautaray, Dean IQAC welcomed the guest and resource persons from Protiviti and faculty participants. Prof. (Dr.) Prachet Bhuyan, Dean-Training & Placement, in his address, emphasized the today's fast-paced, technology-driven world and importance for educators to stay abreast of the latest advancements and innovations.

Prof. (Dr.) Kumar Mohanty, Director-FDP, KIIT-DU, set the context, emphasizing the significance of digital transformation in education. Mr. Anand Jena, Managing Director, Digital Transformation, Protiviti, India expressed his happiness about their collaboration with KIIT-DU and briefed about the importance of Digital Transformation & Emerging Technologies.

The event witnessed the presence of eminent industry experts, including Mr. Ansuman Sharma, Senior Director, Technology & Digital, Protiviti, India; Mr. Chiranjib Sarma, Associate Director, Data & AI; and Ms. Sweta Nair, Senior Manager, Digital Transformation.

## NURTURING EMERGING LEADERS FOR NEXT-GEN LEADERSHIP 2.0: VIKSIT BHARAT@2047

The Internal Quality Assurance Cell KIIT DU organized a two day Workshop on "Nurturing Emerging Leaders for Next-Gen Leadership: Viksit Bharat@2047" during 28-29 September 2024. This workshop aims to empower and equip emerging leaders with the necessary skills and knowledge to drive India towards its vision of a developed nation by 2047. The workshop was spearheaded by Mr. Indranil Das, Founder of Leaderion & Ex. Vice President, and Head of Services Business and Operation Support Systems, Ericsson. The Inaugural session commenced with a warm welcome from Dr. Siddharth Swarup Rautaray, Dean, IQAC KIIT DU, who introduced the guest speakers and set the tone for the workshop.

Dr. Debashish Bandhyopadhyay, Pro Vice-Chancellor, KIIT DU, delivered a motivational address on leadership, highlighting the role of the Founder of KIIT and sharing insights from his own experience. He emphasized that failures should not deter aspiring leaders but rather serve as stepping stones for growth. He reflected on the leadership qualities essential for guiding organizations toward success by 2047.

Prof. Kumar Mohanty, Director of the Faculty Development Program (FDP) at KIIT DU, expressed gratitude to the Vice Chancellor for initiating the FDP series, which was the twelfth session. He elaborated on the industrial domain focus of the workshop and its importance in nurturing leadership qualities among faculty members. He emphasized self-discovery exemplifying self-life experience and the role of the workshop in shaping department heads and team leaders.

Prof. Saranjit Singh, Vice-Chancellor, KIIT DU, provided an overview of the workshop’s sessions, underscoring the significance of KIIT’s 14-year-long association with Ericsson. He shared his experiences with the industry and discussed how the collaboration helped develop KIIT’s industry engagement cell. Faculty members across various schools have benefited from this engagement, and Prof. Singh stressed the need to continue nurturing leaders in the academic and industrial spheres.

The workshop covered five sessions on the different aspects of leadership through MVP framework. The participants shared their experiences at the end of the workshop and thanked the authorities of the University for organizing such types of workshops

The Valedictory session was chaired by Prof. Jnyana Ranjan Mohanty, Registrar KIIT DU. During his address he thanked the speaker for visiting KIIT as a resource person and shared the vision of Founder Prof. (Dr.) Achyuta Samanta of empowering faculty members for Next Gen Leadership. He motivated the faculty members holding different positions at the University to transfer the knowledge gained during the workshop with the team members working with them at their respective schools. At the end, Dr. Siddharth S. Rautaray, Dean IQAC delivered the vote of thanks.

## KIIT HOSTS AIU-SPONSORED FACULTY DEVELOPMENT PROGRAM ON RENEWABLE ENERGY AND SMART GRID: RECENT TRENDS AND APPLICATIONS

The School of Electrical Engineering at KIIT-DU organized a five-day hybrid Faculty Development Program (FDP) on “Renewable Energy and Smart Grid: Recent Trends and Applications” from May 5 - 9, 2025. The FDP was sponsored by the Association of Indian Universities (AIU) under the Academic and Administrative Development Centre (AADC).

The Chief Guest, Shri Ashok Kumar Tripathy, Former Director General, CPRI, Bangalore, delivered an inspiring keynote address, emphasizing the importance of innovation in renewable energy and the integration of smart grid technologies to meet future energy demands.

Prof. Chinmoy Kumar Panigrahi, Director of the School, outlined the School’s academic and research achievements, and its strong industry collaborations. Prof. Kumar Mohanty, Director of KIIT School of Management and AIU Nodal Officer, emphasized the transformative role of AIU and AADC in building academic and administrative leadership in Indian universities. Prof. Siddharth Swarup Rautaray, Dean of the Quality Assurance Cell, played a key role in the successful planning of the FDP.

Prof. Achyuta Samanta, Founder of KIIT, was profoundly thanked for providing the world-class infrastructure, visionary leadership, and invaluable exposure that enabled the successful organization of such academic programs. Prof. Saranjit Singh, Vice Chancellor, KIIT-DU, provided unwavering institutional backing and visionary leadership that greatly inspired the organizing team. Prof. Jnyana Ranjan Mohanty, Registrar, KIIT-DU, extended his constant support and valuable guidance towards the successful organization of the FDP.

Earlier, Prof. Ranjeeta Patel, Dean of the School, welcomed the participants and thanked AIU and KIIT for their support. She highlighted the wide participation of around 70 delegates from across India and abroad. The ceremony concluded with a Vote of Thanks by Prof. Alivarani Mohapatra, Associate Professor.

KINS Conducts In-Service  
Education on "Safe Delivery  
App" for Improved Maternal

Kalinga Institute of Nursing Sciences (KINS) held an in-service education program on the "Safe Delivery App" on 13th December 2024. MSc Nursing students discussed its 15 modules, emphasizing safe childbirth practices. The session, attended by 20 nursing officers and faculty, aimed to enhance maternal care through digital tools.

BCC-2024 Enhances Ophthalmic  
Surgical Skills through Cadaveric  
Training

KIMS and LV Prasad Eye Institute jointly conducted the Bhubaneswar Cadaver Course (BCC)-2024 to refine ophthalmic surgical techniques. Thirty ophthalmologists participated in hands-on cadaveric dissections, focusing on orbital and lid anatomy, enhancing clinical precision and surgical competence in a real-tissue learning environment.

KIIT Hosts Global Conference on  
Smart Materials and Chemical  
Sciences

KIIT-DU hosted ESMAC-2024 and the 2nd KIIT-CRSI Seminar, bringing together global experts to discuss advancements in smart materials and chemistry. Highlights included the launch of KIIT's Centre for Next-Generation Materials and two scientific books by Prof. Achyuta Samanta, strengthening India's role in global research innovation.

KIMS Pioneers Cardiac  
Laser Technology in  
Eastern India

KIMS becomes the first in eastern India to install a Xenon Chloride Fusion Cardiac Laser Machine, revolutionizing treatment for complex heart diseases. Inaugurated by Dr. Achyuta Samanta, this breakthrough enhances cardiac care quality, reduces stent dependency, and introduces global-standard procedures for challenging cases.

# KIIT Hosts National Training Program “Initiation into Mathematics” with MTTs Trust

Date and Venue  
28.12.2024 | KIIT

KIIT’s Department of Mathematics, in collaboration with MTTs Trust, launched “Initiation into Mathematics,” a weeklong national training for 46 selected B.Sc. students from December 23–28, 2024. Funded by NBHM, the event celebrates Ramanujan’s legacy while enhancing students’ skills in Real Analysis, Algebra, and Foundations, led by eminent mathematicians.

Relevant SDGs

# SUSTAINOVATION

WHERE RESEARCH MEETS THE SDGS

# RESEARCH AND DEVELOPMENT

KIIT is committed to high-quality research and provides outstanding facilities and a supportive environment for our academics and students. KIIT's research portfolio extends across many different areas including, but not limited to, biotechnology, medicine; rural management; physical activity and nutrition; education; and social and mental health.

KIIT has placed much emphasis on creating enabling infrastructure and facilities for advanced research in diverse areas such as:

- Centre for advanced research has been set up with 1 lakh sqm built up area
- Setting up of new advanced laboratories and up-gradation of existing labs in each department
- Centers of excellence have been established in collaboration with industry
- Research groups of scholars and faculty members are formed in emerging areas and encouraged to apply for grant to National and International funding agencies
- Adequate technical personnel for caring and maintenance of laboratories and its advanced equipment
- Special seminars, workshops, and international conferences are organized in the emerging disciplines
- Senior faculty members with experience in emerging disciplines are regularly recruited
- 24X7 library and laboratories facilities are available

## CENTRAL RESEARCH FACILITIES

The Central Research Facilities (CRF) at KIIT DU has been set up with 1 lakh sqm built up area at Campus-3, KIIT, and offers access to modern scientific research facilities to the in-house researchers as well as research community from other academic institutions and industry. It is an integrated facility for interested students and researchers to carry out research activities centrally under one umbrella. The modern analytical instruments at the CRF help the researchers to publish their research findings in peer reviewed high impact factor journals. The center not only provides the technical support for research and experimentation but also presents a platform for creating a vibrant cross-disciplinary research atmosphere. It aims to establish a central hub for pioneering and collaborative analytical research in the country. The services of this facility are not limited only to the stakeholders of the university but are extended to academic and research institutions, universities, industries.

## CENTERS OF EXCELLENCE

- Centre of Excellence for Sustainability and Equity
- Centre of Excellence for Space Science
- Centre of Excellence in Translational Research Program on Gastrointestinal bacteria pathogens
- Centre of Excellence of Water
- Centre of Excellence for Rare Earth Materials
- Centre of Excellence for Automotive Mechatronics
- Centre of Excellence in Occupational Safety and Health
- Centre of Excellence for Public Policy and Research
- Centre of Excellence for Happiness
- Centre of Excellence in Leadership
- IBM Centre of Excellence
- Microchip Centre for Excellence
- SAP Centre of Excellence
- IoT Centre of Excellence
- NI Centre of Excellence
- MSME Centre of Excellence
- TBI-NIDHI Centre of Excellence
- KIIT-DU –Acer Centre of Excellence
- Bosch Centre of Excellence
- Fintech Centre of Excellence
- Centre for studies in Criminal Law and Criminal Justice Administration
- Centre of Arbitration
- Centre for Constitutional Law Studies and Research
- IPR Centre/ Centre for Intellectual Property Studies
- Centre of for Criminology, Victimology and Police Science
- Centre of Studies for Business and Corporate Law
- International Centre for Business Research and Innovation
- Centre for studies in Legislative Drafting
- Interdisciplinary Centre of Energy with special reference to Renewable Energy
- Interdisciplinary Research Centre in Materials and Nano-Sciences
- Boeing Centre
- Technology Enabling Centre
- Tech Mahindra Design Laboratory
- Siemens Laboratory
- Schneider Laboratory
- Technology Transfer Office
- Acer Predator Thronos at Design Thinking Lab

# CENTER FOR INNOVATION AND RESEARCH

S. No	Centre Name	Inaugurated on	Parent School
1	Centre for Water Research and Climate Change (CWRCC)	18/10/2024	School of Civil Engineering
2	Centre for Defense and Studies (CDS)	28/11/2024	School of Law
3	Centre for Next-Generation Materials and Technology (CNGMT)	21/12/2024	School of Applied Sciences
4	Centre of Remote Sensing and Disaster Management (CRS-DM)	21/02/2025	School of Civil Engineering
5	Centre for Quantum Technology (CQuTe)	07/03/2025	School of Applied Sciences
6	Centre of Excellence for Applied Behavioral Sciences (CEABS)	07/03/2025	School of Management
7	Centre of Innovation and Research in AI (COIR-AI)	07/03/2025	School of Computer Engineering
8	Centre of Innovation and Research Electric Vehicle Technology (COIR-EV)	15/03/2025	School of Electrical Engineering

RESEARCH PROJECTS

S N	Title of Project	Funding Agency	Relevant SDGs
1	Novel Chemopreventive buccal self-disintegrating strip: A phytopharmaceutical mucoadhesive for management of oral potentially malignant disorder	ICMR	3, 9, 12, 17
2	AI Assistive Tooth Bracket Positioning System	DST	3, 4, 9, 10
3	Mapping the Impact of Blue Carbon Stocks of Seagrass Meadows and Weeds on Economic Prosperity and Livelihood Generation of Chilika Lagoon	ICSSR	1, 8, 13, 14
4	Unveiling the Influence of Cultural Heritage of PVTGs in the Development of Viksit Bharat: An Ethno	ICSSR	4, 5, 10, 11
5	Beti Bachao Beti Padhao (BBBP): An Empowerment Model to Curb Female Foeticide and Misogyny in Tribal Odisha	ICSSR	3, 4, 5, 16
6	Anthropogenic and Geogenic Contamination of Ground water in Bhubaneswar Urban Catchment –A Systematic Investigation	ICSSR	3, 6, 11, 13
7	Autonomous Underwater decoy confusion and torpedo guidance system for enhanced naval Warfare	DST Sponso	9, 14, 16, 17
8	Prototype Development of a Diesel- Methanol dual fuel CI Engine Genset as an Alternative Power Source for Underwater Repairing and Maintenance Activities	TIDF, IIT	7, 9, 12, 13
9	Enhancement of mixing through evolution of free surface vortex and subsequent entrainment using swirling disc with supplementary effect of horizontal crossflow	DST-SERB	6, 7, 9, 12
10	A mechanistic approach of two-phase heat transfers over porous coated vertical tube and its bundle	DST-SERB	7, 9, 12, 13
11	Sustainable Underwater Robotics: Autonomous Marine Surveillance Powered by Hydrodynamic Energy ..	DST Sponso	7, 9, 13, 14
12	Development of novel Al7075/ferrochrome slag/graphene oxide hybrid nanocomposites using ultrasonic assisted stirring and squeeze casting process and its machinability studies under various sustainable	DST-SERB	7, 9, 12, 13
13	An experimental investigation over anti-bacterial activity of hybridized Graphene and itsderivatives	ANRF	3, 6, 9, 12
14	An extensive investigation of microstructure evolution during heat treatment and hot forging of high strength B-Ti-5553 alloy	DRDO	4, 9, 12, 13
15	High Temperature Materials Processing Unit	DST (FIST)	4, 7, 9, 12
16	Two Phase Heat Transfer over Metal Foam	DST-SERB	7, 9, 12, 13
17	Green India Mission and its Livelihood Association With Forest Dwellers	ODFO, Balangir Forest Division	1, 8, 13, 15
18	Bioprospecting and ecological survey of Chilika Lake metagenome for identification of new biocatalyst for industrial application	MOEF	3, 9, 12, 14
19	Exploring the Marine Ecosystems for novel bioresources with human health and industrial significance	MOES	3, 9, 12, 14
20	Development of Electronic Medical Record (EMR) registry and machine learning model for prediction of diabetic nephropathy using renal biomarkers and clinical data	ICMR	3, 4, 9, 10
21	Development of an Electronic Medical Record (EMR) registry and AI (Artificial Intelligence) model for prediction of mortality in liver cirrhosis using hepatic biomarkers and clinical data	ANRF	3, 4, 9, 10
22	Machine learning approach for druggability prediction and prioritization of essential hypothetical genes in Plasmodium falciparum genome and virtual screening of Pathogen Box small molecule inhibitors	ANRF	3, 9, 10, 17
23	Decrypting the functional role of the human erythrocyte HSP70 chaperones (HSPA1 and HSPA8)in intraerythrocytic development of Plasmodium falciparum	DST-SERB	3, 4, 9, 17
24	An ultrastructural study on the development of rice silica cells at micro- and nano-scale	DST-SERB	2, 9, 12, 15
25	Elucidation of the mechanism of silica deposition in abaxial epidermal long cells in Sorghum bicolor lemma	DBT	2, 9, 12, 13

26	splicing inhibition of Mtu SufB protein : a therapeutic approach to manage drug-resistance tuberculosis	ICMR	3, 9, 10, 17
27	Role of estrogen-related receptor α ( ERα) in the regulation of TGFβ and wnt/β-catenin signaling and its implications in the tamoxifen resistance in breast cancer	ICMR	3, 4, 5, 9
28	Elucidating the intricate biology of the Aryl hydrocarbon receptor (AHR) activation and crosstalk	DST-SERB	3, 9, 12, 13
29	Natural polysaccharides-derived biocompatible hydrogels for effective wound healing and skin tissue engineering	ANRF-SERB	3, 9, 10, 12
30	Fund for Improvement of S&T Infrastructure in Universities and Higher Educational Institutions (DST_FIST)	DST	4, 5, 9, 17
31	Fabrication of Al2O3 containing cellulose based Ag NPs encapsulated Collagen dressing and investigation of its Therapeutic Opportunities in Diabetic Wound Healing	MOM	3, 9, 12, 10
32	Mapping Global Best Practices in Pendency Reduction to Indian Judicial System and Tracing the Way Forward: An In depth Empirical Engagement with Select Courts of India	Ministry of Law and Justice	16, 17, 10, 4
33	Visvesvaraya PhD Scheme Govt of India	MeitY	4, 5, 9, 10
34	Biogas Development and Training Centre (NBP410; MNRE)	MNRE	7, 9, 12, 13
35	Comparative therapeutic efficacy of different phyto-nanotherapeutics in overcoming drug resistance in breast cancer cells.	UGC	3, 5, 9, 12
36	Development of novel muco-adhesive buccal patch for management or oral submucous fibrosis	ICMR	3, 9, 12, 10
37	Wellness of Tribal Children in Kandhamal District of Odisha	DST	3, 4, 10, 2
38	Development of Metal Organic Framework based next generation Hybrid Composite Materials for decontamination of broad-spectrum toxicants	DRDO	3, 6, 9, 12
39	Design and Synthesis of imidazo (1,2-α) pyridine based hybrid molecules using Palladium catalyzed cross coupling reaction and its antimalarial activity evaluation	DST Odisha	3, 9, 12, 17
40	Role of C-terminal Domain of M. tuberculosis Small Heat Shock Protein Hsp16.3 for its Structure, Stability and Chaperone Function Under Thermal Stress	UGC	3, 9, 10, 17
41	Probing Heat Transport phenomena at Nanoscale using Raman Thermometry	DST-SERB	9, 7, 13, 12
42	Affordable NIR nanoclusters for biomedical applications with enhanced photostability and biocompatibility'	UGC-DAECSR	3, 9, 12, 10
43	Development of a Quantum-Enhanced Application for Managing a Large Organization Database-Intensive Institution	KIIT DU	9, 16, 17, 4
44	Investigation of antisite disorder of B-cations in R2CoMnO6, R2NiMnO6 (R: Rare Earth) double Perovskites (A2BB'O6).'	UGC DAECSR	9, 12, 4, 7
45	Investigation for the magnetoelectric coupling and the microscopic origin in (1-x) Bi2Fe4O9 – (x) La	UGC DAE CS	9, 7, 12, 13
46	Study of magnetoelectric coupling and the microscopic origin in novel multiferroic composites for sp	KIIT DU	9, 12, 7, 4
47	Synthesis and Development of ZnO-CuxO Composite-based Thinfilms for Broadband Photosensors	KIIT DU	9, 7, 12, 13
48	Exploring the novel quantum states at the interface of spin-orbit coupled active and inactive double perovskites	UGC,India	9, 12, 4, 13
49	Dielectric and metamaterial/FSS based RADAR absorbing material and RADOME	DRDO	9, 16, 12, 7
50	Applications of Difference operators in Approximation Theory	NBHM	4, 9, 17, 5
51	Studies on the γ-radiation-induced effects of successive plant generations (F1, F2, and F3) and yield production from food grain, and correlation with heavy metal (e.g., As, Cr, Ni, Pb, etc.) toleranc	UGC-DAE CS	2, 3, 12, 13
52	National Monument Authority-Preparation of draft heritage bye laws of heritage monuments and protected areas of eastern region	NMA	11, 4, 15, 17
53	Gram panchayat spatial development plan	MoPR	11, 9, 10, 1
54	Development of innovative and robust process of antimicrobial coating on Aluminium substrates	NALCO Ltd.	3, 9, 12, 6

RESEARCH PROJECTS

55	Use of probiotics to manage drug-resistant infections	DD Inn USA	3, 9, 12, 10
56	SIA Dhamra port phase II	NCDS	9, 11, 14, 15
57	SIA study IDCO Jagatsinghpur	NCDS	9, 11, 10, 15
58	Innovative Buoyancy Activation System for autonomous torpedo recovery: A sustainable approach..	DST Sponso	9, 12, 13, 14
59	Experimental investigation on vibroacoustic performance of acoustic metamaterial structures using multiphysics approach	DST-SERB	9, 12, 7, 4
60	Combinatorial Synthesis of mixed of Lutetium oxides doped with europium thin films for optoelectronics	DST-SERB	9, 7, 12, 13
61	Enhancement of mixing and entrainment in two layer shear flow by employing rotary rollers	DST-SERB	9, 7, 13, 12
62	ZBTB: a potential trigger for dendritic cells immune responses	DST	3, 9, 17, 10
63	Decrypting the functional role of the human erythrocyte HSP70 chaperones (HSPA1 and HSPA8) in intraerythrocytic development of Plasmodium falciparum	SERB, ANRF	3, 9, 17, 10
64	Support to establish DBT-Boost to University Interdisciplinary Life Science Departments for Education and Research (DBT-BUILDER)	DBT	4, 9, 17, 3
65	Vitamin biofortification through fermentation of common energy dense foods of India and South Africa for young children- 3-10 years	DST	2, 3, 9, 17
66	Study of antibacterial activity and cytotoxicity of samples sent from TATA STEEL	Tata Steel	3, 9, 12, 10
67	A novel multi-targetiog approach to develop immune antimrlarials	ICMR	3, 9, 10, 17
68	Evaluation of Socio-economic and Psychological factors influencing Investment of Rural Tribal Paren	ICSSR	1, 4, 10, 8
69	Teaching Association Research Excellence	DST-SERB	4, 9, 17, 10
70	5G Use case Lab by DOT Govt. of India	DOT	9, 4, 17, 8
71	IoT-Enabled Wearable Sensors for Detecting GAIT Freezing in Parkinson's Disease to Prevent Fall Inju	DST	3, 9, 10, 11
72	Climate Change Effects on Livelihoods and Adaptation Strategies	ICSSR_IMPR	1, 13, 11, 15
73	SIA study NALCO	NCDS	9, 11, 10, 15
74	SIA study IDCO Kendrapada	NCDS	9, 11, 10, 15
75	a novel approach for the efficiency enhancement of Copper Indium Gallium Diselenide (CIGS) based thin film solar cells	ANRF(SERB)	7, 9, 12, 13
76	Energy, VLSI, Photovoltaic, Sensors, Microwave, Simulation	DST	7, 9, 12, 4
77	A novel approach for enhancing the efficiency of CZTSe/CZTSSe based thinfilm solar cells using the bilayer structure u	DST	7, 9, 12, 13
78	Quinacrine inhibits metastasis and angiogenesis in oral cancer cells through inhibition of tumor associated macrophages derived inflamatory cytokines	ICMR	3, 9, 12, 10
79	Development of novel plant based and nano formulations for mosquito control	L&T- Taif	3, 9, 15, 12
80	IMPACT OF INFORMATION AND COMMUNICATION TECHNOLOGY ON SUSTAINABLE MARKETING PRACTICES, LIFE SATISFACTION AND RETAIL MARKETING IN SAUDI ARABIA: THE ROLE OF INTELLIGENT MACHINES, VIRTUAL AGENTS AND META	Ministry of Higher Education, KINGDOM OF SAUDI ARABIA	9, 12, 8, 17
81	Mapping of perinatal depression prevalence, risk factors and barriers to help-seeking among urban and rural women in Odisha	ICSSR	3, 4, 5, 10
82	Developing & Implementing intervention delivery strategies of Anemia Mukht Bharat 2.0	ICMR	2, 3, 5, 10
83	Impact of Dynamic Capability on Success of Entrepreneurs: A Study of Small and Medium Manufacturers in Odisha"	ICSSR	8, 9, 1, 4
84	Ban on Sale of single cigarettes and its effectiveness: A systematic review	WHO-TFI	3, 12, 16, 17
85	Preserving and integrating customary laws of Meghalaya with modern Jurisprudence : An IKS Based Approach	Ministry of Education, Govt. of India	10, 11, 16, 4
86	A study of Criminal Justice Administration in the Context of Scheduled Tribes in the State of Odisha	ICSSR	10, 16, 5, 4

87	Development and Implementation of Dynamic Spectrum Allocation Technique in CRN for IoT Applications	DST-SERB	9, 11, 12, 17
88	Functional Characterization of peroxisomal polyamine oxidase mediated abiotic stress tolerance in ri	SERB, GoI	2, 13, 15, 9
89	Development of first ever Zingibain containing muco-adhesive buccal patch for management of Oral Submucous Fibrosis	DBT	3, 9, 12, 10
90	Assessment of mnopile performance under cyclic loading useing hydraulic gradient similarity method	SERB Core Research Grant	9, 11, 13, 12
91	Design, Optimization, and Demonstration of Chemical Column and Pressure Injection Treatment to Enhance the Shear Strength Characteristics Along with Phytoremediation of the Abandoned Ash Pond	SERB Core Research Grant	9, 12, 13, 15
92	Development of cost effective energy management strategies for a green hydrogen based electric vehicle charging station.	DST-SERB	7, 9, 12, 13
93	Evaluation of Socio-economic and Psychological factors influencing Investment of Rural Tribal Parents in Sukanya Samridhi Yojana (SSY): Reflection on Awareness, Perception, and Enrolment in Koraput, Nabarangpur, and Malkangiri	ICSSR	1, 4, 5, 10
94	ICTs in Urban Policing: An Exploration of the future of risk management in cities of India	WBNUJS	9, 11, 16, 17
95	Implications of Ayushman Bharat Digital Mission	ICSSR	3, 9, 10, 16

110	Financial Assistance for Establishing Technology Enabling Centers in University System	DST	4, 5, 9, 17
111	Support to establish DBT Boost to University Interdiscilinary Life Science Department for Education and Research (DBTBuilder) Programme	DBT	3, 4, 9, 17
112	Boeing University Innovation Leadership Development Program(BUILD)	Boeing Project	4, 8, 9, 17
113	Accademy for Women Enterprenures-AWE Project	US Department of State	4, 5, 8, 10

RESEARCH PROJECTS

114	Create Training , mentorship and networking opportunities for 70-80 leading start-ups in South Asia through a three tier selection, engagement and training model(RSN)	US Department of State	4, 8, 9, 17
115	Promotion of University Research and Scientific Excellence (PURSE) Project	DST	4, 5, 9, 17
116	Translational Research Program on Disease Biology and Diagnostics Focusing on Gastrointestinal bacterial pathogens	Govt. of Odisha	3, 6, 9, 17
117	An Integrated Assesement to Imprpove the efficacy of gene expression based PAM50 classifier with additional MiRNA and Epigenetic signature to improve Prognostication in Breast Cance using PDX based platform	ICMR	3, 5, 9, 17
118	Rural Bioresource complex for tubers and millets in Kandhamal, Odisha	DBT	1, 2, 8, 12
119	Design and implementation of silver-based nanoparticles for combating antibiotic resistance	Karolinska Institutet	3, 6, 9, 12
120	Quinacrine inhibits metastasis and angiogenesis in oral cancer stem cells through the inhibition of tumor associated macrophasges derved inflammatory cytokines	ICMR	3, 9, 10, 12
121	Vitamin biofortification throughfermentation of common energy denses food of India and South Africa for young children 3-10 years	DST	2, 3, 9, 17
122	Comparative and synergistic studies of Biogenic Zinc Oxide Nanoparticles loaded in combination with 5-Fluorouracil (5-FU) and its mechanism in cell death pathways in colon cancer	DST-SERB	3, 9, 12, 17
123	Development of First Ever Zingibain Containing Mucco Adhesive buccal patch for management of Oral Submucous fibrosis	DBT	3, 9, 10, 12
124	Novel Chemopreventive buccal self-disintegrating strip: A phytopharmaceutical mucoadhesive for management of oral potentially malignant disorder	ICMR	3, 9, 12, 17
125	Understanding the role of PIM1 kinase in modulating tumor stroma crostalk in Pancratic ductal adeno carcinoma (PDAC)	DBT	3, 9, 12, 17
126	Understanding molecular mechanism of blas resistance in foxtail millet (Setaria Italica) through screening diversity of plablt lipophilic barriers	DBT	2, 9, 13, 15
127	Advance Recovery of Battery materials and REE from Ores and Waste	DST	7, 9, 12, 13
128	Antibiotic resistance: Preventive measures and minimizing consequences in Community, Patients and the Environment through risk assessment and targeted interventions in the context of India	Karolinska Institutet	3, 6, 12, 17
129	White Hydrogen from scrap aluminum dross transforming industrial waste into a fuel source for the future	MOM	7, 9, 12, 13
130	AML data curation	NATIONAL UNIVERSITY OF SINGAPORE	3, 4, 9, 17
131	Development of Green and Sustainable Nanobiosensor Technology for the dignosis of H Pylori	ANRF	2, 13, 15, 9
132	Targeting downstream of tryptophan catabolism to overcome immune checkpoint blockade (ICB) resistance in Oral Squamous Cell Carcinomas	ICMR	3, 9, 17, 12
133	UKRI GCRF South Asian Nitrogen Hub project	UKRI	9, 12, 14, 13
134	Machine Unlearning for Selective Removal of Digital Data Footprint from Deep Learning Models	SERB	1, 5, 8, 12
135	Vivesvaraya PhD Scheme	MeitY (Government of India)	9, 16, 17, 11
136	A study of different dialects implementation of Odia language for NEP compilation using Artificial Intelligence: Use Case for Kalinga Institute of Social Science	ICSSR	3, 9, 10, 12
137	Autolmage: Auto measurement of Wafer dimensions : A part of Smart Factory Automation	SAE Magnetics (HK) pvt ltd. HongKong SAR	2, 3, 9, 12
138	IMPACT OF INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) ON SUSTAINABLE MARKETING PRACTICES, LIFE SATISFACTION AND RETAIL MARKETING IN SAUDI ARABIA: THE ROLE OF INTELLIGENT MACHINES, VIRTUAL AGENTS AND METAVERSE	Ministry of Education, Saudi Arabia	9, 11, 13, 12

139	Evaluation of Socio-economic and Psychological factors influencing Investment of Rural Tribal Parents in Sukanya Samridhi Yojana (SSY):Reflection on Awareness, Perception, and Enrolment in Koraput, Nabarangpur and Malkangiri	ICSSR	3, 9, 12, 17
140	Implementation of Artificial Intelligence Based Nonlinear Control Strategy for Oscillating Water Column Prototype	(SERB SURE)	3, 9, 17, 10
141	Synthesis, Characterization, Staibility and thermal conductivity Chacateristics of nanofluid for advanced heat transfer applications in heat exchanger	AICTE	7, 9, 12, 13
142	Machinability assessment of Graphene oxide and Zirconium oxide enriched nano-cutting fluids assisted multi-nozzle injection MQL machining of hardened AISI D2 steel	AICTE	8, 9, 12, 13
143	Fluorescent anti-corrosion coatings for early detection of failurevia modelling and simulation	ANRF	9, 12, 13, 14

- Average CTC of 3.50 LPA

### KIIT SCHOOL OF LAW (KSOL)

- 76 plus companies visited campus processes with 58 offers till date.
- 72% placed till date
- Highest CTC of 12 LPA
- Average CTC of 5.50 LPA
- 19 new companies participated in 2024 campus process

# GLOBAL FOOTPRINTS

## FOR SUSTAINABLE DEVELOPMENT

## INTERNATIONAL RELATIONSHIP

### English language classes for the international students 2024-2025:

IRO in coordination with School of Liberal Studies, KIIT DU organizes the English language classes for the international students. It is divided in two parts that is: -

#### 1. Bridge course in English Language & Communication proficiency

47 French speaking international students from Guinea & Somalia experienced their introductory class of the English Language Bridge Course on 14th November, 2024 which was conducted by the School of Liberal Studies, KIIT-DU in association with the International Relations Office (IRO). The yearlong Bridge Course titled Comprehensive English Language Program for Overseas Students (CELPOS).

It aims to equip students with comprehensive English language skills which will be essential for their academic as well as professional enhancement.

#### 2- English language & Communication proficiency (Beginner Level)

It is offered to the international students to increase their English proficiency with respect to their speaking, writing, listening and reading skills. This course is organized in each semester and the timing is fixed in such a way that all the interested students can join it after their regular classes. For the Year, 2025, total 25 students have enrolled for this program.

### Academic interactions and FIC meetings:

To understand the difficulty or issues of the international students during their academic journey and also provide them a positive learning environment, various academic interactions and FIC, IR meetings are organized time to time. IRO team along with the tutor mentor and FIC, IR of the concerned school try to solve all the issues of the students and motivate them to excel in their career. FIC Meeting encourages Innovation, academic excellence and growth for faculty for ensuring quality teaching and research in the institution.

### SPECIAL CONVOCATION-2025

KIIT-DU hosted a special convocation ceremony on 25th May 2025 to confer degrees upon international students from the graduating class of 2024. A total of 411 foreign students from over 65 countries received their degrees in various disciplines, including PhD, postgraduate, and undergraduate programs. Mr. Abhinav Anand and Ms. Dilushi Shashikala Prabodani Herath were awarded the Founder's Gold Medal for securing the top position among the graduates.

In the company of the IRO officials, the students proudly sang Zimbabwe's national anthem and presented various musical & dance performances in honour of the occasion. The IRO Officials' celebrated the occasion with the students.

# INTERNATIONAL COLLABORATIONS AND VISITS

## Meeting of high-level delegation from the Education section of the Embassy of the People's Republic of China

Date: 15.07.2024

Brief: The 4-member delegation led by Mr. Yang Xiuhua, Education Counsellor had a discussion on the educational developments & information regarding pursuing higher education from China especially through scholarships & emphasized on Chinese language learning, cultural and academic exchanges through collaborations between KIIT and Universities in China.

## Meeting with the team of UN Volunteers

Date: 19.07.2024

Brief: Mr. Sushil Chaudhary, UN Volunteers Country Coordinator for India, along with Mr. Raashid Riza, Partnerships Development Specialist, External Relations and Communications Section, UNV, visited KIIT and KISS for a productive interaction with Prof. Amareswar Galla, Pro Chancellor of KISS and Prof. Saranjit Singh, Vice Chancellor of KIIT. A roadmap for rolling out the UNV programme at KIIT was outlined, reinforcing the shared commitment to empowering students through volunteerism and international collaboration.

Collaboration with the (ACYPL)

Date: 30.07.2024

Brief: KIIT and KISS has partnered with the American Council of Young Political Leaders (ACYPL) to provide its students with enhanced international exposure and opportunities for leadership development. The collaboration is designed to nurture a new generation of globally-minded leaders by facilitating programs such as international exchange initiatives that promote cross-cultural dialogue, political understanding, and professional development.

City University of New York- India Trek

Date: 03.08.2024 -12.08.2024

Brief: KIIT and KISS recently had the privilege of hosting a distinguished delegation from The City University of New York (CUNY) as part of their India Trek 2025. Comprising global academic and policy leaders, the delegation engaged in thoughtful discussions on a wide range of pressing issues, including education, healthcare, policymaking, societal challenges, and the development of Indigenous communities. Led by Dr. Neal Phillip, Chair of the Environmental Sciences Department at Bronx Community College and a renowned climate science expert, the visit offered a deeply immersive academic, cultural, and philanthropic experience. During their time on campus, the delegation participated in academic exchanges with postgraduate students, shared global perspectives on key topics, and demonstrated their commitment to environmental sustainability through a beach clean-up drive at Chandrabhaga Beach. The visit also included a meaningful engagement with U.S. Consul General Jennifer Larson, during which Indo-U.S. educational collaborations were explored. The delegation provided valuable insights into study abroad opportunities, helping Indian students better understand pathways to global education.

Relations and Communications, UNV Bonn

Brief: On 13.08.2024, Mr. Niels Vestergaard Knudsen, Chief of External Relations and Communications at United Nations Volunteers (UNV), Bonn, visited the KIIT International Relations Office (IRO) in Delhi. This significant visit marked a milestone in the growing partnership between KIIT and UNV, underscoring shared interests in promoting volunteerism, fostering international collaborations, and advancing global development goals.

Visit of Dr. Milos Manic, Professor & Director of the Virginia Commonwealth University

Brief: On 05.08.2024, Dr. Milos Manic, Professor in the Computer Science Department and Director of the VCU Cyber Security Center at Virginia Commonwealth University, He is also the President of the IEEE Industrial Electronics Society. His visit was marked by engaging interactions, campus tours, and enlightening discussions.

Summer Global Leadership Program

Brief: KIIT University is proud to announce a pioneering collaboration with the University of Tulsa, The City University of New York (CUNY), and the University of Washington Bothell to launch its Summer Global Leadership Program. This transformative initiative offers KIIT students an unparalleled opportunity to engage in an intensive and immersive study-abroad experience in the United States.

In a first for any university in Eastern India, This program not only reflects KIIT's dedication to fostering global perspectives among its students but also reinforces its position as a forward-thinking institution setting new benchmarks in international academic collaboration.

Establishment of SDG Hub at KIIT University

Brief: In September 2024, KIIT University submitted its application to establish a Sustainable Development Goals (SDG) Hub for the 2025-2027 cycle. The proposal is currently under review by the United Nations, with final approval pending.

Once approved, KIIT University will join an exclusive cohort of 17 leading universities worldwide selected to host an SDG Hub. This recognition will not only underscore KIIT's ongoing commitment to the UN's 2030 Agenda, but also bring significant institutional benefits.

Establishment of the Achyuta Samanta India Initiative at theCity University of New York (CUNY)

Brief: In September 2024, the Achyuta Samanta India Initiative of The CUNY CREST Institute (ASIICCI) was established at the City University of New York, marking a historic milestone as the first research institute of its kind at one of the oldest and most prestigious public university systems in the United States. This pioneering center will provide U.S. students and researchers with a unique platform to explore Odisha's rich art, culture, and heritage, while highlighting Dr. Achyuta Samanta's impactful work in promoting education and socio-economic empowerment of indigenous communities. Timeline of Accomplishment: February 2022: Initiation of CUNY collaboration process September 2022: Visit of Dr. Thomas A. Isekenegbe, President, Bronx Community College (CUNY), and signing of the Mou2022-2024: Continued strengthening of the KIIT-KISS-CUNY partnership through joint initiatives

September 2024: Formal establishment of ASIICCI

The creation of ASIICCI is the result of over a year of dedicated collaboration and strategic engagement between KIIT, KISS, and CUNY, building on a three-year partnership that has consistently promoted global learning and cultural exchange.

ACU Recognizes Dr. Achyuta Samanta for Advancing Internationalization in Higher Education

Brief: In September 2024, the Association of Commonwealth Universities (ACU)— one of the world’s oldest and most respected international university networks—formally recognized Dr. Achyuta Samanta at its London headquarters for his outstanding contributions to the internationalization of higher education.

This prestigious recognition reflects the long-standing collaboration and sustained engagement between KIIT, KISS, and the ACU, highlighting Dr. Samanta’s visionary leadership in fostering global academic partnerships and promoting inclusive education on a global scale.

Participation in the Hamburg Sustainability Conference

Brief: The inaugural HSC (High-Level Sustainable Cooperation Conference), held on 07.10.2024, brought together 1,600 global leaders from politics, business, science, and civil society, representing 102 countries, all committed to taking decisive steps toward achieving the UN Sustainable Development Goals (SDGs). A moment of immense pride for both institutions came when Prof. Achyuta Samanta, the founder of KIIT and KISS, was invited to join the Accelerator Group for the session on "What Nourishes Effective Trust-Based Collaboration in Multilateral Alliances? - Paving Pathways Towards Sustainable Development"

Additionally, in a key interaction, KIIT & KISS SDG model was presented to the President of the World Bank, the Executive Director of UNICEF, and the Director of UNDP.

Memorandum of Understanding (MoU) with the US-India Friendship Alliance (USIFA)

Date: 15.10.2024

Brief: The signing of a Memorandum of Understanding (MoU) of KIIT University by the Director General of IRO Mr. Debraj Pradhan with the US-India Friendship Alliance (USIFA), a New York-based non-profit organization. The MoU marked a significant step towards enhancing educational and cultural exchange between the United States and India. The MoU, signed during the India Leadership Summit, marks KIIT as the only Indian institution to collaborate with USIFA.

Collaborative session with the University of Tulsa

Date: 25.11.2024

Brief: Dr. Vivian Wang, Vice Provost for Global Engagement, along with Dr. Nagu Daraboina, Associate Professor of Chemical & Petroleum Engineering at The University of Tulsa, had a productive meeting with Prof. Saranjit Singh, Vice Chancellor, during their visit to KIIT and KISS.

Times Higher Education Delegation Visit

Date: 12.12.2024 – 15.12.2024

Brief: The Delegates from the Times Higher Education Innovation & Impact Summit immersed themselves in meaningful activities with the KIIT & KISS leadership and students as part of the 'Global Horizons' Study Tour. The delegates engaged in enriching discussions with the international students. The interaction provided valuable insights.

Visit of GOPIO Delegates

Date: 25.11.2024

Brief: A galaxy of 148 delegates from the GOPIO (Global Organization of People of Indian Origin) belonging to 30 countries graced KIIT & KISS on the eve of the Pravasi Bharatiya Divas 2025(08.01.2025–10.01.2025) being observed at Bhubaneswar. The Conference was organized by GOPIO International in association with KIIT University. GOPIO representatives interacted with 40,000 KISS Students at KIIT and KISS at the Athletic Stadium.

On 09.01.2025, the GOPIO International Representatives met DG IRO Mr. Debraj Pradhan to discuss how to make the MoU on the establishment of the GOPIO International Chair functional and effective. He requested the GOPIO side to prepare a working paper on how to proceed on the proposed subject.

Visit of Malaysian PIO Delegation

Brief: On 11.01.2025, DG IRO Mr. Debraj Pradhan held a meeting with the Malaysian PIO Delegation led by Mr. S. Pathma seelan, Deputy Director International Youth Center Minister of Youth and Sports Government of Malaysia and Mr. S. Sri Ganesh Rao National Coordinator, Sri Murugan Center located at Kuala Lumpur, Malaysia.DG –IRO requested them to prepare and submit a plan of action /working document to further collaborate with the Malaysian Ministry of Youth and Sport Affairs, Private organizations and Student Bodies.

Harvard –MIT Trek

Brief: From 08.01.2025–13.01.2025,a delegation of 34 students and scholars from Harvard University and the Massachusetts Institute of Technology (MIT) visited KIIT and KISS as part of the India Trek Initiative, supported by both institutions. The delegates engaged with students, policymakers, diplomats, industrialists, and NGO leaders to explore critical topics such as education, healthcare, and Indigenous rights.

A primary goal of their visit was to gain deeper insight into India’s art, culture, heritage, and socio-economic landscape, with a special focus on the state of Odisha, facilitating a valuable exchange of knowledge. In a landmark event on January 11, 2025, approximately 40 international students interacted directly with the Harvard and MIT delegates, fostering cross-cultural dialogue and academic exchange.

Key highlights of the India Trek included substantive discussions with several Union Ministers, including Dr. S. Jaishankar (External Affairs), Hardeep Singh Puri (Petroleum and Natural Gas), Dharmendra Pradhan (Education), and Kiren Rijiju (Parliamentary Affairs).

### Visit of Prof. Neville G. Pinto, President, University of Cincinnati

Brief: Prof. Neville G. Pinto, President, University of Cincinnati, USA and other team members including Prof. Raj Mehta, Vice Provost for International Affairs, Prof. John Weidner, Dean of Chemical Engineering, Prof. Aleque Sabkowiak, Senior Director of Planning and Operations, and Ms. Jenni Kim Sutmoller, Executive Director of International Strategic Partnerships interacted with the distinguished Director Generals, Directors, Deans, Principals, Officials of KIIT-IRO and other Senior Officials of KIIT Group of Institutions. The discussions centered on enhancing collaboration through student and faculty exchange programs, joint research initiatives, and the co-hosting of workshops and conferences.

Prof. Neville G. Pinto, was conferred the prestigious KISS Lifetime Achievement Award on 17.01.2025 in recognition of his remarkable contributions to education and research.

### The India Trek for Global Leaders, organized by the Harvard Advanced Leadership

Brief: The India Trek for Global Leaders, organized by the Harvard Advanced Leadership Initiative in collaboration with KIIT & KISS, took place from 23.02.2025 to 01.03.2025. The program brought together distinguished participants from diverse fields including Public Administration, Medicine, Human Rights Advocacy, Business Administration, International Business and Law to engage in a multifaceted experience. Delegates from Harvard University's Advanced Leadership Initiative (ALI) visited India for an immersive learning experience centered on education, development, and social transformation. As part of their visit, the delegation spent time at the Kalinga Institute of Industrial Technology (KIIT) and the Kalinga Institute of Social Sciences (KISS) in Bhubaneswar, Odisha—institutions the visit also featured thought-provoking dialogues on sustainability and global development, including a special session with renowned environmentalist and diplomat Erik Solheim. The exchange of ideas underscored the importance of collaborative leadership in addressing complex global challenges.

### Doshisha University

Brief: Students from Doshisha University, Kyoto interacted with students of KIIT & KISS as part of the Indo-Japan Cultural Exchange Program (22.02.2025–26.02.2025) celebrating the spirit of friendship and collaborative learning. They were on a study tour and interacted with the students, researchers & faculties. Cultural events were conducted to create a Japanese learning ecosystem and promote cultural exchange among youth, ultimately strengthening India-Japan bilateral relations through people-to-people contact. A key agenda item will be the renewal of the Memorandum of Understanding (MoU) between Doshisha University and KIIT, which expired this year. This renewal will reaffirm the commitment of both institutions to collaborative growth in academic, cultural, and athletic domains. The renewed MoU will serve as a foundation for expanded opportunities and strengthened ties between Japan and India through academic and cultural diplomacy.

### Visit of Virginia Tech University

Brief: From 10.03.2025–14.03.2025, a team consisting of four students and one faculty member from Virginia Tech University visited KIIT and KISS as part of the India Trek organized under VT's Service without Borders student organization. The delegation participated in a volunteering program, actively engaging with KISS students and gaining insights into Indigenous languages.

### Visit of Ambassador of Indonesia to India and Bhutan

Brief: On 21.03.2025, H.E. Ina H. Krishnamurthi, along with her delegation, visited KIIT & KISS and had an engaging discussion with the senior leadership team.

### KIIT & University of Washington Bothell collaboration

Brief: From 21.02.2025–28.02.2025, a group of faculty and students from the University of Washington Bothell (UWB), USA, visited KIIT and KISS for an eight-day live project on Supply Chain Management, in partnership with Falcon Marine Exports.

Students from UWB and KIIT School of Management worked together on real business challenges like supply chain mapping, distribution strategies, marketing, and product evaluation. They took part in field visits, met clients, and did joint research, gaining hands-on experience with global business practices and sustainable solutions. This project shows KIIT's focus on practical learning and international

collaboration. An MoU has been signed to formalize this partnership, focusing on student-faculty exchange, joint research, and consulting-based projects that link classroom learning with real-world application.

Under this collaboration, UWB students will earn credits through their Field Study in Supply Chain Management, and KIIT students will also benefit through aligned academic credit mechanisms.

At the same time, five UWB faculty members took part in the Global Faculty Programme, giving guest lectures and workshops across KIIT and KISS departments, helping to promote learning across different fields.

This visit is part of a larger partnership between KIIT and UWB, supported by a Memorandum of Understanding that encourages academic exchange, joint research, and credit for practical learning projects.

### University of Oxford

Brief: A student delegation from the University of Oxford visited KIIT from 07.04.2025 to 13.04.2025, as part of the India Trek initiative, jointly organized by KIIT and KISS.

During their visit, they engaged in meaningful discussions with KIIT's senior leadership, gaining insights into the university's inclusive education model, global perspective, and commitment to academic excellence.

This visit marked a significant milestone as the first time Oxford students traveled to Odisha under the India Trek program, highlighting the increasing international interest in the inclusive education approach and social impact initiatives of KIIT and KISS.

### Visit of Officials from Kent University

Brief: On 02.05.2025, Mr. Paulo Augusto, Associate Vice President, Office of Global Education, Kent University, Ms. Aastha, Admission Advisor Kent University and Ms. Jyotsna Mishra India Representative for Kent University visited KIIT University to explore potential collaborative initiatives in the fields of Public Health and Fashion Technology.

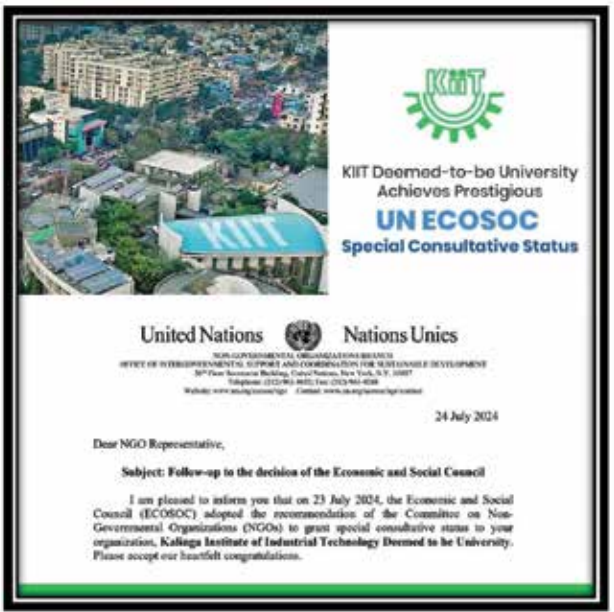

# EVENTS

## KIIT DU Awarded Prestigious UN ECOSOC Special Consultative Status

Brief: KIIT Deemed to be University has been awarded the prestigious Special Consultative Status by the United Nations Economic and Social Council (UNECOSOC), acknowledging the university's significant contributions to the Sustainable Development Goals (SDGs).

After addressing follow-up questions in the June 2024 hearing, the formal recognition was awarded during the UN ECOSOC Management Segment meeting on July 2024, held at the United Nations Headquarters in New York.

## Participation in Times Higher Education (THE) and British Council Dialogue in New Delhi

Brief: In August 2024, representatives from the Centre for American Studies, KISS, and the International Relations Office (IRO), Delhi participated in an exclusive masterclass and strategic leadership dialogue titled "Making Strides on the Global Stage: India's Rankings, Impact, and Internationalization", jointly organized by Times Higher Education (THE) and the British Council.

The master class offered insights into the latest global ranking data, opportunities for internationalization and Transnational Education (TNE), and featured an exclusive preview of the 2025 World University Rankings. The sessions also provided clarity on THE's ranking methodologies, fostering open dialogue on the evolving landscape of international university rankings and India's growing presence on the global academic stage.

## Nepal KIIT Alumni and Parent Meet

Date: 08.09.2024

Brief: The Nepal KIIT Alumni and Parent Meet was successfully held at the Dhumrabaraha venue. The event was honored by the presence of Dr. Achyuta Samanta and saw enthusiastic participation from over 120 alumni and parents.

## Weather And Climate Hackathon (WATCH) Organized at KIIT University

Brief: In September 2024, The Weather and Climate Hackathon (WATCH), organized by Bronx Community College (CUNY) in collaboration with the U.S. Consulates in Hyderabad and Mumbai, was organized at KIIT-DU. The event brought together students and faculty from 16 Indian institutions, CUNY, and organizations across India to develop tech-driven solutions to climate and air quality challenges.

Using data from 22 monitoring stations funded by the U.S. State Department and NSF, participants tackled five key areas: precision farming, AI/ML in climate, air quality, heat waves, and sustainable cities. The event ended with a pitch competition and featured addresses by leaders from BCC/CUNY and U.S. Consulates.

## KIIT University Awarded Certificate of Engaged Membership by Talloires Network

Brief: In December 2024, KIIT University was awarded the Certificate of Engaged Membership by the Talloires Network of Engaged Universities, a prestigious consortium of 443 universities across 91 countries. This recognition underscores KIIT's strong commitment to community engagement, global collaboration, and the evolving role of universities in driving positive societal change.

Notably, the Talloires Network had earlier honoured Art of Giving—an initiative led by Dr. Achyuta Samanta, Founder of KIIT and KISS—with the MacJannet Prize for Global Citizenship, marking another significant milestone in KIIT's journey of impactful social outreach.

## KIIT Knowledge Tree

Date: 19.12.2024

Brief: The KIIT Knowledge Tree is an innovative and engaging event organized by KIIT University to promote interdisciplinary learning and knowledge sharing among students, faculty, and industry experts. The KIIT Knowledge Tree event was graced by the esteemed presence of Mr. Eduard Heger, former Prime Minister of Slovakia, as the Chief Guest. During his address, Mr. Heger spoke to the students about the qualities of effective leadership.

## Installation of Weather and Air Quality Monitoring Station at KIIT In collaboration with the U.S. Department of State and the City University of New York (CUNY)

Brief: In January 2025, a Weather and Air Quality Monitoring Station was installed at the Nano Lab, School of Applied Sciences, KIIT University, through a collaborative initiative with the U.S. Department of State and the City University of New York (CUNY). This installation represents a significant milestone in KIIT's efforts to strengthen its capabilities in environmental monitoring, climate research, and data driven sustainability practices.

City University of New York to Establish Achyuta Samanta Research Institute

The City University of New York today announced the establishment of a research institute in the name of Dr Achyuta Samanta, providing U.S. students with the opportunity to research Odisha's rich art and heritage, as well as exploring Dr Samanta's contributions to the socio-economic development of indigenous communities and his success in the field of education.

The Centre will be known as 'The Achyuta Samanta India Initiative of The CUNY CREST Institute (ASIICCI)' at City University of New York'. It will be inaugurated next month by Dr Samanta. The announcement was made by the President of Bronx Community College, City University of New York Dr. Milton Santiago, who extended an invitation to Dr. Samanta to inaugurate the new research institute.

Accepting the invitation, Dr. Samanta expressed his gratitude and excitement. "This institute is a testament to the work we've done at KIIT and KISS. I believe it will encourage more research and understanding of Odisha's culture and my journey," he said.

KIIT Student Trishna Ray Crowned Miss Teen Universe 2024 in South Africa

KIIT-DU is celebrating a proud moment as Trishna Ray, a student from the KIIT School of Fashion Technology, has been crowned Miss Teen Universe 2024. The pageant held in South Africa from November 1st to 9th, saw contestants from around the globe vying for the title, with Trishna emerging as the shining star.

Daughter of Colonel Dillip Kumar Ray and Mrs. Rajashree Ray, Trishna’s journey to the crown exemplifies dedication and resilience. Although she faced setbacks in previous years, missing the competitions in Colombia and the Dominican Republic due to visa issues, Trishna’s passion and commitment never wavered. Her win is a testament to her perseverance, making both Odisha and India immensely proud. Dr. Achyuta Samanta, Founder, KIIT and KISS has congratulated Trishna for her awesome accomplishment.
